**Word of God / Words of Men** 2011-07-29 most westerners are alert to challenges posed by muslim fundamentalism but few have given much thought to the implications of a similar phenomenon within the christian communion literal readings of sacred texts are dangerous for those who believe that they can quote the words of god implicitly claim the right to act with the authority of god

**Men of Their Words** 2017-12-02 whereas the centrality of femininity to nineteenth century french fiction has been the focus of widespread critical attention masculinity has until recently received little sustained treatment in either the literary or socio historical domains in this book nigel harkness uses the fiction of george sand 1804 1876 the pre eminent woman writer of the period to explore questions of masculinity as they pertain to the nineteenth century french novel and to map out new approaches to the study of literary masculinity drawing on contemporary theories of gender and narrative harkness reveals how sands novels repeatedly focus on a nexus of language masculinity and power in which narrative is both a vehicle for the expression of manhood and a site where masculinity is discursively performed masculinity is thus reconfigured in sands fiction as an identity constituted as much through words as through actions analysis of the performances of masculinity staged in sands novels opens onto an exploration of gendered processes of literary representation the links between masculinity and the doxa the equation of writing and power the homosocial function of acts of narration and the masculinity of authorship and authority

**Men of the Word** 2011-04-01 the rt rev frank e wilson 1855 1944 late bishop of eau claire was perhaps the most prolific episcopal writer of his era authoring dozens of books geared to lay people over the years his works have helped to renew the church encourage social and ecumenical progress and provide guidance and insight to generations of episcopalians faith and practice's reaffirming message celebrates our unique anglican way of thinking while calling us to act faithfully upon those beliefs more than 50 years after its original publication this timely book that explores core christian beliefs continues to inspire and instruct anglicans throughout the world

*A Sista Speaks: Words of Encouragement for the young Black Male* 2021-11-02 clear eyed advice from inspirational black men throughout history

*A Daily Word for Men* 1742 this book deals with a topical issue relating to the use of script in japan one which has the potential to reshape future script policy through the mediation of both orthographic practices and social relations it tells the story of the impact of one of the most significant technological breakthroughs in japan in the latter part of this century the invention and rapid adoption of word processing technology capable of handling japanese script in a society where the nature of that script had previously mandated handwriting as the norm the ramifications of this technology in both the business and personal spheres have been wide ranging extending from changes to business practices work profiles orthography and social attitudes to writing through to japan's ability to construct a substantial presence on the internet in recent

years

The Great God Has Magnified His Word to the Children of Men. A Sermon, Etc 2017 how well can you decode the signs that permeate our daily lives all of us consciously or not constantly engage in the acts of reading and interpreting the signs in the world around us but how do we sharpen these skills deepen our awareness of meaning in a complex world and ultimately reach our full potential as university writers this book answers the needs of students of composition culture studies and literature providing a process orientated guide to analyzing anything

*High Level Words (1340 +) to Be an Alpha Male and Attract Women* 2014-08-04 first published in 1991 debates about the state and status of the english language are rarely debates about language alone closely linked to the question what is proper english is another more significant social question who are the proper english the texts in this book have been selected to illustrate the process by which particular forms of english usage are erected and validated as correct and standard at the same time the texts demonstrate how a certain group of people and certain sets of cultural practices are privileged as correct standard and central covering a period of three hundred years these writers who include locke swift webster james newbolt and marenbon wrestle with questions of language change and decay correct and incorrect usage what to prescribe and proscribe reread in the light of recent debates about cultural identity how is it constructed and maintained what are its effects these texts clearly demonstrate the formative roles of race class and gender in the construction of proper englishness tony crowley s introductory material breaks new ground in rescuing these texts from the academic backwater of the history of the language and in reasserting the central role of language in history
