Our mutual Friend

1865

our mutual friend illustrated charles dickens our mutual friend written in the years 186465 is the last novel completed by charles dickens and is one of his most sophisticated works combining savage satire with social analysis it centres on in the words of critic j hillis miller quoting from the character bella wilfer in the book money money money and what money can make of life 1 most reviewers in the 1860s continued to praise dickens skill as a writer in general though not reviewing this novel in detail some found the plot too complex and not well laid out 2 the times of london found the first few chapters did not draw the reader

into the characters however in the 20th century reviewers have found much to approve in the later novels of dickens including our mutual friend 3 in the late 20th and early 21st century some reviewers suggested that dickens was experimenting with structure 4 5 and that the characters considered somewhat flat and not recognized by the contemporary reviewers 6 were true representations of the victorian working class and key to understanding the structure of the society depicted by dickens in this novel

OUR MUTUAL FRIEND

1864

how is this book unique font adjustments biography included unabridged 100 original content illustrated about our mutual friend by charles dickens our mutual friend centres on an inheritance old harmon s profitable dust heaps and its legatees young john harmon presumed drowned when a body is pulled out of the river thames and kindly dustman mr boffin to whom the fortune defaults with brilliant satire dickens portrays a dark macabre london inhabited by such disparate characters as gaffer hexam scavenging the river for corpses enchanting mercenary bella wilfer the social climbing veneerings and the unscrupulous street trader silas wegg the novel is richly symbolic in its vision of death and renewal in a city dominated by the fetid thames and the corrupting power of money our mutual friend uses text of the first volume edition of 1865 and includes original illustrations a chronology and revised further reading as adrian poole writes in his introduction to this new edition in its vast scope and perilous ambitions it has much in common with bleak house and little dorrit but its manner is more stealthy on edge enigmatic

differentiated book it has a historical context with research of the time our mutual friend by charles dickens a satirical masterpiece about the allure and danger of money our mutual

friend revolves around the inheritance of a pile of dust where the wealthy throw their trash when the body of John Harmon, the expected heir to the heap of dust, is found on the Thames. Fortunes surprisingly change hands, elevating Noddy Boffin, a discreet but gentle employee who becomes the man of gold. Charles Dickens' latest complete novel, *Our Mutual Friend*, covers the great themes of his earlier works: the claims of new riches, the ingenuity of would-be poor people, and the inexhaustible power of wealth to corrupt all who yearn for it. With its tasty cast of characters and numerous supporting plots, *Our Mutual Friend* is one of Dickens' most complex and satisfying novels. Charles Dickens (1812–1870) was an English writer and social critic. He created some of the world's best-known fictional characters and is considered by many to be the best novelist of the Victorian era. His works enjoyed unprecedented popularity during his lifetime, and by the 20th century, critics and scholars recognized him as a literary genius. His novels and short stories are still widely read today.

Our Mutual Friend illustrated

1929

River Thames, the most important river in England, serves as the central thread of the novel, tying together both character and incident. When the novel opens, the river offers both life and death. In a surreal night scene, Gaffer Hexam is shown making his living from the bodies he finds in the river. During the course of the novel, the river is the setting for seven drownings or near-drownings, including the apparent drowning of young John Harmon, the mutual friend of the title.

The Works of Charles Dickens.

1865

First published serially between 1864 and 1865, *Our Mutual Friend* is the last novel completed by Charles Dickens. The death of a wealthy miser who is estranged from all except his trusted employees, Nicodemus and Henrietta Boffin, brings his son, John Harmon, back to London in order to claim his

inheritance the patrimony carries with it one condition that he marries a woman he has never met miss bella wilfer when a body is found floating in the thames it is presumed to be john and the inheritance instead passes to the boffins the kind hearted working class boffins take into their household the disappointed bride to be miss wilfer and treat her as their own daughter pampering her with their newfound wealth they also accept the generous offer of john rokesmith to attend to their financial affairs for free rokesmith who also goes by the alias of julius handford is in fact the heir john harmon presumed to be dead dickens s novel is a thematically rich one addressing the struggle of man between societal expectations and the desire to follow one s heart rich with a symbolism of rebirth our mutual friend brilliantly dramatizes the impact that wealth plays upon society this edition is printed on premium acid free paper and includes an introduction by edwin percy whipple

our mutual friend 1864 5 dickens last completed novel has been critically praised as a profound and troubled masterpiece and yet is has received far less scholarly attention than his other major works this volume is the first book length study of the novel it explores every aspect of dickens sustained imaginative involvement with his age in particular its original research into hitherto neglected sources reveals not only dickens reactions to the important developments during the 1860s in education finance and the administration of poverty but also his interest in phenomena as diverse as waste collection and the shakespeare

tercentenary the companion to our mutual friend demonstrates the varied resources of artistry that inform the novel and it provides the reader with a fundamental source of information about one of dickens most complex works
