how will you measure your life hbs

Summary of Cal Newport's So Good They Can't Ignore You 2021-10-21 buy now to get the main key ideas from cal newport s so good they can t ignore you in so good they can t ignore you 2012 cal newport aims to debunk the fairytale notion of follow your passion newport does not believe that everyone has a pre existing passion that sets the course toward a fulfilling career in fact he believes it might be dangerous to entertain such a naïve idea after refuting passion as a career driver newport attempts to answer one of the questions most asked by job seekers how do people end up loving what they do newport presents his case using research and evidence including interviews with people who either failed at finding careers they love or remarkably exceeded all expectations he presents his findings under four major rules to answer the question of why people end up loving what they do

Summary of So Good They Can't Ignore You by Cal Newport: Why Skills Trump Passion in the Quest for Work You Love 2024-04-03 so good they can't ignore you in his book so good they can't ignore you 2012 cal newport seeks to challenge the idealistic notion of follow your passion newport argues against the belief that everyone possesses a pre-existing passion guiding them towards a fulfilling career cautioning against the potential risks of embracing such a simplistic idea instead of passion newport delves into the question frequently asked by job seekers how do people come to love what they do drawing on research evidence and interviews with individuals who have either struggled to find fulfilling careers or exceeded expectations newport outlines four key principles that shed light on why people develop a love for their work

ULTRA LEARNING

Summary 2020-03-04 so good they can't ignore you why skills trump passion in the quest for work you love by cal newport entering the workforce often requires choosing between three alternatives earning money but doing what you like least living your passion and earning less or doing what is possible skeptical about these options and more particularly about the value of passion in professional decision making cal newport offers a fourth alternative to gain skills to better appreciate what we already know how to do and to gain more by doing so for the author only the determination to be so good that others have no choice but to notice matters to quote comedian steve martin's answer to the question how to succeed this injunction is the title of the book and invites you to invest today in these rare and valued skills that only develop through a realistic understanding of yourself your real potential the market its recruitment opportunities and your determination your ability to act on your dissatisfaction to change your life why read this summary save time understand the key concepts notice this is a so good they can't ignore you book summary not the original book

Dominante 2020-10-17 are you giving it your best but no one seems to notice or gives you an opportunity does it seem like you're going through the same basic motions as everyone else do you feel uncertain as to whether your current training plan is actually making you better in his book Dominante they can't ignore you master strength coach clance taylor shares with you his 30 years of research development data driven science and field experience in building some of the world's most dominating athletes if you desire to compete at a professional level and/or prolong your sports career then this book will give you the principals towards remapping your body properly in order to develop elite level strength speed power and durability

So Good They Can't Ignore You 2013-09-01 In this eye opening account cal newport debunks the long held belief that follow your passion is good advice not only is the cliché flawed preexisting passions are rare and have little to do with how most people end up loving their work but it can also be dangerous leading to anxiety and chronic job hopping after making his case against passion newport sets out on a quest to discover the reality of how people end up loving what they do spending time with organic farmers venture capitalists screenwriters freelance computer programmers and others who admitted to deriving great satisfaction from their work newport uncovers the strategies they used and the pitfalls they avoided in developing their compelling careers matching your job to a preexisting passion does not matter he reveals passion comes after you put in the hard work to become excellent at something valuable not before in other words what you do for a living is much less important than how you do it with a title taken from the comedian steve martin who once said his advice for aspiring entertainers was to be so good they can t ignore you cal newport s clearly written manifesto is mandatory reading for anyone fretting about what to do with their life or frustrated by their current job situation and eager to find a fresh new way to take control of their livelihood he provides an evidence based blueprint for creating work you love so good they can t ignore you will change the way we think about our careers happiness and the crafting of a remarkable life
