l'altra europa l'europa dell'anima non delle consuete guide turistiche l'europa della storia e delle storie degli itinerari più insoliti lungo percorsi sinuosi e mutevoli alla scoperta di una realtà che è molto più di un continente in cammino verso una difficile unità politica affascinante complesso di culture molteplici di popolazioni che a volte per lingua ceppo costumi tradizioni hanno ben poco in comune la patria europea è una somma di contraddizioni rivalità divergenze che hanno prodotto un'unità culturalmente ricchissima è un incantevole mistero da definire un mondo da scoprire e da costruire una fonte di conoscenze che continua a stupirci e a rivelarci inattese realtà percorrerne le vie non con la distratta voracità del turista ma con lo sguardo incantato di chi non cerca quanto piuttosto vuole lasciarsi cercare e rivelare dai luoghi che visita realmente lungo le strade più diverse o virtualmente con il solo aiuto della lettura e dell'immaginazione è un'esperienza che incuriosisce attrae e sorprende a ogni passo È l'esperienza che ci offre con i suoi itinerari insoliti e fantastici di ieri e di oggi il libro ricchissimo e splendidamente documentato di roberto giardina in this elegantly constructed study of the early decades of public opera the conflicts and cooperation of poets composers managers designers and singers producing the art form that was soon to sweep the world and that has been dominant ever since are revealed in their first freshness andrew porter this will be a standard work on the subject of the rise of venetian opera for decades rosand has provided a decisive contribution to the reshaping of the entire subject she offers a profoundly new view of baroque opera based on a solid documentary and historical critical foundation the treatment of the artistic self consciousness and professional activities of the librettists impresarios singers and composers is exemplary as is the examination of their reciprocal relations this work will have a positive effect not only on studies of 17th century but on the history of opera in general lorenzo bianconi non disponibile per kindle e ink paperwhite oasis 120 ricette straordinarie per raccontare l'anima di gerusalemme i sapori e le atmosfere di gerusalemme e la sua cucina vibrante raccontati da due chef nati nello stesso anno nel settore arabo ed ebraico della città con una the world's most famous master plan for seizing and holding power astonishing in its candor the prince even today remains a disturbingly realistic and prophetic work on what it takes to be a prince a king a president when in 1512 machiavelli was removed from his post in his beloved florence he resolved to set down a treatise on leadership that was practical not idealistic in the prince he envisioned would be unencumbered by ordinary ethical and moral values his prince would be man and beast fox and lion today this small sixteenth century masterpiece has become essential reading for every student of government and is the ultimate book on power politics this volume in the series documentary history of the jews in italy illustrates the history of the jews in sicily from 1458 to 1477 it is the sequel to the first five volumes and covers the events during the rule of king john although john continued the policies of his father alphonso towards the jews of the island there is a distinct deterioration in their position during his times after years of incitement by the members of the mendicant orders anti jewish riots broke out in various parts of the sicily the worst of them was the massacre in modica in 1474 during that period the jewish minority of sicily continued to flourish economically and socially nearly a thousand documents many of them published here for the first time record the fortunes of the jews and their relationships with the authorities and their christian neighbours much new information has come to light and many facets of jewish life in sicily have been uncovered the abundance of historical records in the archives of the crown and of local authorities compares favourably with the relative scarcity of surviving documentation in earlier centuries therefore again many documents had to be reported in summary form the volume is provided with additional bibliography and indexes while the introduction has been relegated to the end of the series on the jews of the island a musician musicologist and self defined poet of research amelia rosselli 1930 96 was one of the most important poets to emerge from europe in the aftermath of world war ii following a childhood and adolescence spent in exile from fascist italy between france england and the united states rosselli was driven to express the hopes and devastations of the postwar epoch through her demanding and defamiliarizing lines rosselli's trilingual body of work synthesizes a hybrid literary heritage stretching from dante and the troubadours through ezra pound and john berryman in which playful inventions across italian english and french coexist with unadorned social critique in a period dominated by the confessional mode rosselli aspired to compose stanzas characterized by a new objectivity and collective orientation where the i is the public where the i is things where the i is the things that happen having chosen italy as an ideal fatherland rosselli wrote searching and often discomposing verse that redefined the domain of italian poetics and in the process irrevocably changed the italian language this collection the first to bring together a generous selection of her poems and prose in english and in translation is enhanced by an extensive critical introduction and notes by translator jennifer scappettone equipping readers with the context for better apprehending rosselli's experimental approach to language locomotrix seeks to introduce english language readers to the extraordinary career of this crucial if still eclipsed voice of the twentieth century benvenuto olivieri was a florentine banker active in rome during the first half of the sixteenth century a self made man without any great family patrimony he rose to prominence during the pontificate of pope paul iii becoming involved with a variety of papal enterprises which allowed him to get to the heart of the

mechanisms governing the papal finances amassing a considerable fortune along the way olivieri soon built himself a role as co ordinator of the appalti revenue farms and became one of the most powerful players in the complex network that connected bankers and the papal revenue this book explores the indissoluble link that had developed between the papacy and bankers illuminating how the apostolic chamber increasingly in need of money could not meet its debts without farming out the rights to future income utilising documents from a rich corpus of unpublished sources in florence and rome guidi bruscoli unravels the web of financial connections that bound together florentine and genoese bankers with the papacy and looks at how money was raised and the appalti managed this book covers two lesser known but important members of the italian mafia the ndrangheta and the sacra corona unita italian criminal organizations in particular mafia are one of the most commonly researched organized crime groups usually focusing on the sicilian mafia cosa nostra or the neapolitan mafia camorra however italy has other two other mafias one in apulia sacra corona unita and the other in calabria ndrangheta although an extensive literature is available on cosa nostra and camorra less is known about the other two organizations particularly their operations in the united states territory is one of the most important elements in the mafia because the criminal organization operates its signoria territoriale controlling every illegal activity in its sphere of action this territorial power goes beyond the italian boundaries reaching the united states of america and other non european countries with the mere aim of developing their drug weapon deals and money laundering businesses mafia therefore is not a uniquely italian phenomenon as it might appear but a worldwide phenomenon affecting many societies and economies this unique volume is its interest into a field as yet completely provides new information about the ndrangheta and sacra corona unita written by an interdisciplinary group of italian scholars it covers organizational hierarchic and operative aspects that is the role that they have in politics in their own families in business relations in italy and abroad it also highlights the particular role that cosa nostra and camorra had in their development this work will be of interest to criminology researchers studying organized crime corruption money laundering and trafficking as well as researchers from related fields such as political science economics and international relations
