what are the limits of national belonging focusing on biak a set of islands off the coast of western new guinea in the indonesian province of irian jaya danilyn rutherford s analysis calls for a rethinking of the nature of national identity with the resurgence of separatism in the province irian jaya has become the focus of fears that the indonesian nation is falling apart yet in the early 1990s the fieldwork for this book was made possible by the government s belief that biaks were finally beginning to see themselves as indonesians taking in the dynamics of biak social life and the islands long history of millennial unrest rutherford shows how practices that indicated biaks submission to national authority actually reproduced antinational understandings of space time and self approaching the foreign as a focus of longing in cultural arenas ranging from kinship to christianity biaks participated in indonesian national institutions without accepting the identities they promoted their remarkable response to the indonesian government and earlier polities laying claim to western new guinea suggests the limits of national identity and modernity writ large this is one of the few books reporting on the volatile province of irian jaya it offers a new way of thinking about the nation and its limits one that moves beyond the conventions of both scholarship and recent journalism it shows how people can belong to a nation yet maintain commitments that fall both short of and beyond the nation state

The Bible: Translated According to the Ebrew and Greeke, and Conferred with the Best Translations in Diuers Languages. With Most Profitable Annotations Vpon All the Hard Places, and Other Things of Great Importance, as May Appeare in the Epistle to the Reader. And Also a Most Profitable Concordance for the Readie Finding Out of Any Thing in the Same Contained 1599

studying crown maori land policy and practice in the period 1869 1929 from the establishment of the native land court power until the cessation of large scale crown purchasing by gordon coates this investigation chronicles the bleak and grim tidal wave of crown purchasing that dominated the maori people under very difficult circumstances while recognizing that the government purchasing of maori land was in its own way driven by genuine if blinkered idealism this work s deep research on land purchasing policy gives renewed insight on the significant politicians of the era such as sir donald mclean john balance and john mckenzie who were strong advocates of expanded and state controlled land purchasing
