Answers from the divine 2014-09-22 this book is
directed towards post graduates who have passed part i
of the examination for membership of the royal college
of physicians and are preparing for part ii however it
is hoped that physicians at all stages of their careers
will find some parts that interest them most of the
material has appeared in the hospital update series
preparation for mrcp but this has been modified and
expanded many useful points arising from correspondence
relating to the series have been included and the
authors would like to express their thanks to those who
have written it is not intended that this should be
used as a work of reference although there is detailed
discussion of some subjects only the written part of
the examination is dealt with in detail but the
introduction contains hints on tackling the clinical
sections which the authors hope the candidates will
find valuable there is however no substitute for
clinical practice under supervision the questions in
vll preface the written section of the examination
require short answers so that marking may be easy and
objective this book contains questions similar to those
that may be encountered in the examination but the
answers have been expanded as a basis for discussion it
is hoped that this will encourage the candidate to read
around the subjects covered and the authors recommend
that the questions are used as a basis for group
discussion as answers other than those in the text may
be considered
