Children's Speech Sound Disorders

2009-04-13

caroline bowen's children's speech sound disorders will be welcomed by experienced and novice clinicians, clinical educators, and students in the field of speech language pathology. speech and language therapy for its practical clinical focus, drawing on the evidence base where possible, and making important theory-to-practice links, overtly enhances her comprehensive account of assessment and clinical management of children with protracted or problematic speech development. with the addition of forty-nine expert essays, these unique contributions are authored by fifty-one internationally respected academicians, clinicians, researchers, and thinkers, representing a range of work settings, expertise, paradigms, and theoretical orientations. in response to frequently asked questions about their work, they address key theoretical, assessment, intervention, and service delivery issues.

Handbook of Family Literacy

2004-04-13

the emerging field of family literacy which cuts across early childhood education early literacy development parent education adult education and parent child literacy interactions has never had a comprehensive volume that pulls together and integrates its many interacting components that is the mission of this handbook it provides scholars students policymakers and practitioners both inside and outside the field with an invaluable snapshot of its current boundaries and rapidly growing content with contributions from experts in each of its component fields it provides an up to date picture of existing family literacy programs of the research and theories that guide these programs of current issues and of likely future directions key features of this outstanding new book include the following comprehensive whereas many books deal with various components of this broad and loosely coupled field until now there has never been a book that profiles and integrates its overlapping component fields recommendations for practice information essential to the development of curriculum and

instructional strategies is integrated throughout the book practical guidance is offered in such diverse and intersecting areas as early literacy the role of literature and storybook reading in literacy learning adult learning needs and strategies and professional development cultural and family influences the book examines cultural and family influences on literacy practices and provides effective ways of responding to family diversity including the needs of bilingual and immigrant participants program implementation program recommendations cover such distinct topics as integrating the curriculum enriching early childhood classrooms enhancing parent child literacy interactions and coordinating with other agencies assessment to promote future research and evaluation attention has been focused on ways of assessing children adults the educational setting and implementation strategies this book is intended for professionals directors and staff and graduate students in the areas of family literacy early childhood education child development parenting and adult education as well as researchers and policymakers in child development and family literacy

Multi-Tiered Systems of Support

2020-10-13

many school based speech language pathologists slps deal with large caseloads and limited resources taking on additional workload by implementing multi tiered systems of support mtss can seem overwhelming multi tiered systems of support implementation tools for speech language pathologists in education offers practical research based tools that school based slps can use to balance the high demands of their job with supporting general education students this professional resource provides answers to a range of questions about policy implications applicability of the framework to a speech language pathologist s role in schools and how an slp can implement mtss in their practice part i breaks down the important concepts of mtss while part ii is designed as an slp mtss toolkit featuring the collective wisdom of practitioners and researchers in the field throughout the text readers will also find real world snapshots of mtss in action based on the experiences of actual slps in the field disclaimer please note that ancillary content such as documents audio and video etc may not be included as published in the original print version of this book
