~~deviate from its current path to destruction and ruin this book will enlighten~~
people across the world as to the truth of the unfolding realities there
understanding the situation is complex and this book sets out to paint an unbiased
picture of what happened before the end of apartheid and then followed in the
ensuing years the author lived in south africa from 1952 until 2019 which qualifies
him to make a personal assessment on where the country is headed a keen student of
sa politics over the years he has sadly watched the country s regression since
majority rule in 1994 the whole world was inspired by what we saw in sa post 1994
when an air of euphoria prevailed but what is the true position there today and
looking ahead read and find out
