000 1997 what makes a good research topic in a literature class what does your professor mean by peer reviewed sources what should you do if you can t find enough material this approachable guide walks students through the process of research in literary studies providing them with tools for responding successfully to course assignments written by two experienced librarians the guide introduces the resources available through college and university libraries and explains how to access the ones a student needs it focuses on research

in literature identifying relevant databases and research guides and explaining different types of sources and the role each plays in researching and writing about a literary text but it contains helpful information for any student researcher describing strategies for searching the to find the most useful material and offering guidance on organizing research and documenting sources with mla style

2020-04-24 the required word count

The College Student's Guide to Research Papers: 101 Ways to Make Your Work Stand Out 2017 offers an instructional plan for plagiarism

education for middle school and high school students allowing librarians to become a resource for students teachers and school administrators the proliferation of resources now available through libraries and the internet requires a new set of information management skills in order for students to avoid plagiarism while educators legitimately expect students to approach academic work with honesty and integrity students need to be able to understand the context of their academic resources both print and digital well enough to use them appropriately and ethically combating plagiarism helps middle and high school teachers and librarians understand and teach the authorship and publication process so students learn to use

relevant information in an ethically and academically sound fashion
terry darr's long term collaboration with a high school history
teacher taught her the challenges faced by students conducting
research and by librarians and teachers tasked with teaching
plagiarism prevention her book is full of tested concepts for teaching
these complex topics emphasizing our modern reliance on digital
sources an extensive student reference section covers common knowledge
fact and opinion a wealth of practical resources includes real life
examples from research papers as well as plenty of instructional
materials exercises and lesson plans

APA/MLA Guidelines (Speedy Study Guides) 2015-01-24 a concise guide to
mla style and documentation is an affordable and classroom tested
resource that provides only the information students need most often
and according to the author's own students is easier to use than the
actual mla handbook this edition incorporates several major changes
from the new mla handbook seventh edition it also has a two color
design a numbering system and an index to help students find
information quickly and easily here students will discover useful
advice on gathering sources compiling notes summarizing paraphrasing
quoting properly and avoiding plagiarism
