Female and Male: The Cultic Personnel: The Bible and the Rest of the Ancient Near East 1994-01-01

a new york times best seller essential reading for all adults who work with black and brown young people filled with exceptional intellectual sophistication and necessary wisdom for the future of education imani perry national book award winner author of south to america an award winning educator offers a much needed antidote to traditional top down pedagogy and promises to radically reframe the landscape of urban education for the better drawing on his own experience of feeling undervalued and invisible in classrooms as a young man of color dr christopher emdin has merged his experiences with more than a decade of teaching and researching in urban america he takes to task the perception of urban youth of color as unteachable and he challenges educators to embrace and respect each student s culture and to reimagine the classroom as a site where roles are reversed and students become the experts in their own learning putting forth his theory of reality pedagogy emdin provides practical tools to unleash the brilliance and eagerness of youth and educators alike both of whom have been typecast and stymied by outdated modes of thinking about urban education with this fresh and engaging new pedagogical vision emdin demonstrates the importance of creating a family structure and building communities within the classroom using culturally relevant strategies like hip hop music and call and response and connecting the experiences of urban youth to indigenous populations globally merging real stories with theory research and practice emdin demonstrates how by implementing the seven cs of reality pedagogy in their own classrooms urban youth of color benefit from truly transformative education

For White Folks Who Teach in the Hood... and the Rest of Y'all Too 2017-01-03

the shadow myriad the nine unknown and the rest is the first book of the trilogy the defenders of the earth have fallen the evil force the shadow myriad has blown the first horns of a battle a battle against humanity one goal to save the earth two prophecies about to be a reality three myriads waiting for it for ages siddharth and his group of friends on a quest to seek the unknown and find the answers to many unknown questions that have been puzzling for many years shadow myriad had a recruit kundun in a mysterious place with mysterious creatures where the usual laws of the world do not apply a new destiny awaits them the young and dynamic home minister of india nishith shankar is faced with an unprecedented situation and the decisions he takes has a heavy price to pay will siddharth complete his quest what does fate have in store for kundun what decision did nishith have to take and what are the consequences but one thing is sure the shadow myriad the nine unknown and the rest are all going to change the course of humankind

The Shadow Myriad, The Nine Unknown and The Rest 2021-07-11

rest is a largely neglected theme escaping old testament studies yet is notably prominent in the text itself arising at many of the key moments of the old testament the creation the flood the conquest and exile of the land the covenant with david and the construction of the temple haydock explores the ways in which god s rest interacts with the direction of the narrative noting also its role in shaping both israel s worship and their messianic expectation in this fascinating study haydock considers the importance and place of rest in the ancient mesopotamian worldview arguing that israel s theology of rest played an important part in their message to the nations this message of a sovereign and gracious god offering his rest to all peoples contrasts sharply with the nations false perception of how rest was to be experienced and enjoyed

in the transatlantic world of the late eighteenth century easterly winds blew radical thought to america thomas paine had already arrived on these shores in 1774 and made his mark as a radical pamphleteer during the revolution in his wake followed more than 200 other radical exiles english dissenters whigs and painites scottish lads o parts and irish patriots who became influential newspaper writers and editors and helped change the nature of political discourse in a young nation michael durey has written the first full scale analysis of these radicals evaluating the long term influence their ideas have had on american political thought transatlantic radicals uncovers the roots of their radicalism in the old world and tells the story of how these men came to be exiled how they emigrated and how they participated in the politics of their adopted country nearly all of these radicals looked to paine as their spiritual leader and to thomas

jefferson as their political champion they held egalitarian anti federalist values and promoted an extreme form of participatory democracy that found a niche in the radical wing of jefferson s republican party their divided views on slavery however reveal that democratic republicanism was unable to cope with the realities of that institution as political activists during the 1790s they proved crucial to jefferson s 1800 presidential victory then after his views moderated and their influence waned many repatriated others drifted into anonymity and a few managed to find success in the new world although many of these men are known to us through other histories their influence as a group has never before been so closely examined durey persuasively demonstrates that the intellectual ferment in britain did indeed have tremendous influence on american politics his account of that influence sheds considerable light on transatlantic political history and differences in religious political and economic freedoms skillfully balancing a large cast of characters transatlantic radicals depicts the diversity of their experiences and shows how crucial these reluctant émigrés were to shaping our republic in its formative years
