overview description canon eos 5d mark iii dslr camera body capture amazing high resolution photos with this professional grade canon dslr don't miss a moment with a high frame rate and image processor for clear fast action shots memory card sold separately features

## **canon eos 5d mark iii review iso performance photography life**

Mar 16 2023

canon 5d mark iii has two extra iso boost levels iso 51200 and iso 102400 for extreme situations take a look at these iso 51200 is pretty useless unless you heavily down sample the image whereas iso 102400 is downright unacceptable for my taste even for down sampling purposes iso performance summary
