a collection of essays by various authors that explore the work influence and legacy of american cowboy artist and writer charles m russell bill sublette 1799 1845 led two lives renowned as a hardy mountain man he ranged the missouri big horn yellowstone and sweetwater river country between 1823 and 1833 hunting beaver fighting indians and unwittingly opening the west for settlers he proved that wagons could be used effectively on the oregon trail financial success and silk hats which strangled the fur trade later forced him to a less adventuresome life in st louis as a gentleman farmer businessman and politician not only did sublette help develop the rendezvous system in the fur trade and blaze the first wagon trail through south pass but also he established what was later fort laramie was a participant in laying the foundation for present kansas city and left a large fortune to excite envy and exaggeration one of the most successful fur merchants of the west he also helped to break john jacob astor s monopoly of the trade this first comprehensive biography of charles m russell examines the colorful life and times of montana s famed cowboy artist born to an affluent st louis family in 1864 young russell read thrilling tales of the west and filled sketchbooks with imagined frontier scenes at sixteen he left home and headed west to become a cowboy in montana territory he consorted with cowpunchers indians preachers saloon keepers and prostitutes while celebrating the waning american frontier s glory days in some 4 000 paintings watercolors drawings and sculptures before his death in 1926 russell saw the world change dramatically and the west he loved passed into legend by then he was revered as one of the country s ranking western artist with works displayed in the finest galleries his romantic vision of the old west forever shaping our own taliaferro reveals the man behind the myth in his multifaceted complexity extraordinarily gifted self effacing charming mischievous and playful a friend to rough frontier denizens and hollywood stars alike the author also explores russell s controversial partnership with his fiery young wife nancy whose ambition and business savvy helped establish russell as one of america s most popular artists well known for his sketches paintings and sculptures of the old west charles m russell 1864 1926 was also an accomplished author in the humorous genre known as local color raphael cristy sorts russell s writings into four general categories serious indian stories men encountering wildlife cattle range characters and nineteenth century westerners facing twentieth century challenges russell s art is often misinterpreted as mere longing for a fading open range west but his writings tell a different story cristy shows how russell amused his peers with stories that also delivered sharp observations of euro american suppression of indians and humorous treatment of wilderness and range issues plus the emergence of women and urbanization as bewildering agents of change in the modern west a welcome departure from the usual biographies and coffee table volumes on russell and his art cristy deals with an important yet relatively unexplored aspect of the career of one of the most influential interpreters of the american west byron price director c m russell center for the study of art bill sublette 1799 1845 led two lives renowned as a hardy mountain man he ranged the missouri big horn yellowstone and sweetwater river country between 1823 and 1833 hunting beaver fighting indians and unwittingly opening the west for settlers he proved that wagons could be used effectively on the oregon trail financial success and silk hats which strangled the fur trade later forced him to a less
