identifies common communication issues that occur within relationships with easy to use strategies for resolving arguments and to bring more understanding between partners

Man Talk 1988

a timely and authoritative guide to creating healthy lasting partnerships by an author who draws upon more than 15 years of professional experience counseling lesbians and gay men

Permanent Partners 2012-03-24

although non monogamy is prevalent in the gay community information about how couples navigate this terrain is surprisingly lacking as a long term couple 36 years we had experienced ups and downs and an on going evolution in our approach to living in a non monogamous relationship we were curious about the experience of others and assumed many long term couples might offer valuable perspectives and hard earned lessons the study summarizes data from the 86 couples we interviewed and provides many verbatim quotes illustrating themes issues and things to consider the information is most helpful for couples considering opening their relationship or couples struggling with issues related to non monogamy

Beyond Monogamy 2021-08-03

help for both victims and offenders of sexual misconduct in the age of metoo the rapid rise of the metoo movement has created a seismic shift in how we work with sexual misconduct that occurs in relationships between men and women but the scope and impact of behaviors within that category is full of gray areas metoo informed therapy guides therapists in finding effective ways to help men who offend empowering women to find their voices exploring ways for men to be allies in the metoo movement and helping couples whose relationships can be enhanced by understanding metoo issues traditional male and female gender role norms are discussed in the context of how they might contribute to incidents of sexual misconduct importantly the book also takes a look at how intersectional factors around race sexual orientation and socioeconomic status adds further complexity to these questions here therapists will find the information and perspective they need to support their clients

MeToo-Informed Therapy: Counseling Approaches for Men, Women, and Couples 1677
