enjoy whisky in myriad ways using water and mixers from soda to green tea and in cocktails from the manhattan to the rusty nail he even looks at pairing whisky and food whisky the manual is a spirited entertaining and no nonsense quide dispelling the mysteries of whisky and unlocking a whole host of exciting possibilities for this magical drink l atlas mondial du whisky est l ouvrage indispensable pour comprendre l univers du whisky vous y trouverez des descriptions

approfondies de 150 distilleries présentes en ecosse en irlande au japon aux etats unis ou au canada grâce aux 24 cartes en couleur cet ouvrage présente des whiskies particuliers de aberfeldy àyamazaki des mélanges célèbres de johnnie walker à hibiki et les meilleurs bourbons et seigles de buffalo trace à wild turkey l'auteur propose ses notes de dégustation sur une sélection de plus de 350 whiskies whisky es la quía definitiva para conocer la mejor bebida espirituosa del mundo y gozar de ella desde sus orígenes hasta los most whisky books tell you how to become an expert this book tells you how to drink it this highly accessible and enjoyable guide is full of practical and fascinating information about how to enjoy whisky all whisky styles are covered including just whisper it blends along the way a good few myths are exploded including the idea that whisky has to be taken neat in what to drink dave broom explores flavor camps how to understand a style of whisky and moves on to provide extensive tasting notes of the major brands demonstrating whisky s extraordinary diversity in how to drink he sets out how to enjoy whisky in myriad ways using water and mixers from soda to green tea and in cocktails from the manhattan to the rusty nail he even looks at pairing whisky and food in this spirited entertaining and no nonsense guide world renowned expert dave broom dispels the mysteries of whisky and unlocks a whole host of exciting possibilities for this magical drink -INDUCTION IN THE STATE OF THE PROPERTY OF THE community starting in orkney he travels south via the north east coast and the spey valley to the westerly peninsulas and hebridean islands of skye raasay and harris before the journey finishes via the blenders of the central belt on the island of islay the trip also follows scotch's history from neolithic brewers to today s innovators a tale told by distillers but also musicians writers and poets what does it mean to make whisky in these places how does a distillery reflect place in its flavour and what is its role in communities with stunning specially commissioned photography by christina kernohan a sense of place will enhance and deepen every whisky drinker s and lover of scotland s understanding of the spirit and the country you could not write a more sophisticated book or pack more detail onto each page it is rocket science impressive huffington post in recent years gin has shed its old fashioned image and been reborn as a hot and hip spirit the number of brands grows every day and bartenders and consumers are now beginning to re examine gin as a quality base spirit for drinks both simple and complex now with more brands available than ever before it is the time to set out what makes gin special what its flavours are and how to get the most out of the brands you buy with this book as your guide discover how gin is made what a botanical is and how they impact a gin s flavour what the difference between dutch london scottish spanish and american gins is how you drink them to maximise your pleasure whether there is life beyond the gin tonic yes the body of the book covers 120 gins which dave has tested four ways with tonic with lemonade in a negroni and in a martini and then scored in addition each gin is categorised according to an ingenious flavour camp to know about the world's greatest whiskeys exploring the traditions behind bourbon scotch irish and even japanese whiskey you'll discover how unique flavors are created through variations of ingredients and different distilling techniques with advice on how to collect age and serve whiskey as well as suggestions for proven food pairings you ll be inspired to share your knowledge and invite your friends over for a delicious whiskey tasting party 101 world whiskies to try before you die is the companion guide to 2010 s 101 whiskies to try before you die ian buxton again eschews the obvious whiskies and recommends another 101 whiskies that he believes every whisky lover should taste in ian buxton s new collection of whisky recommendations he has cast his net wider he includes not only whiskies from the established whisky producing countries but also many newcomers the book includes whiskies from austria belgium canada the czech republic england india ireland japan the netherlands scotland taiwan usa and wales all the whiskies included are both affordable and accessible ian buxton does not believe in collecting whiskies or investing in whisky he believes in tasting and enjoying the huge range of whiskies that are available the book includes single malts and blends and provacatively a few renegade suggestions that are bound to offend purists shortlisted for the fortnum mason drink book award this is a book about how to drink rum of all kinds it s about classic rums and new generation rums about rhum agricole and about premium aged rums about rums from all over the world it s about rum enjoyed with cola and ginger beer about the best rum for a classic daquiri about rum cocktails that ooze style and personality above all it s about enjoying your rum in ways you never thought possible the premium rum market is growing at an astonishing rate the mission of this book is to help drinkers appreciate this complex spirit find the style they like and discover how this versatile spirit can best be enjoyed it will help you to understand your rum how it s produced whether from molasses cane syrup or cane juice and

whether it s dry sweet fresh or oaky more than 100 different rums are featured and analysed from rich sweet mellow guyana rums to the vegetal peppery rums of martinique or guadeloupe and contemporary spiced rums dave broom provides a description and graded tasting notes for each brand allowing you to create the perfect mix every time finally a selection of classic and contemporary cocktails shows just how wonderfully versatile this spirit is anthropologists and historians have confirmed the central role alcohol has played in nearly every society since the dawn of human civilization but it is only recently that it has been the subject of serious scholarly inquiry the oxford companion to spirits and cocktails is the first major reference work to cover the subject from a global perspective and provides an authoritative enlightening and entertaining overview of this third branch of the alcohol family it will stand alongside the bestselling companions to wine and beer presenting an in depth exploration of the world of spirits and cocktails in a groundbreaking synthesis the companion covers drinks processes and techniques from around the world as well as those in the us and europe it provides clear explanations of the different ways that spirits are produced including fermentation distillation and ageing alongside a wealth of new detail on the emergence of cocktails and cocktail bars including entries on key cocktails and influential mixologists and cocktail bars with entries ranging from manhattan and mixology to sloe gin and stills the companion combines coverage of the range of spirit based drinks around the world with clear explanations of production processes and the history and culture of their consumption it is the ultimate guide to understanding what is in your glass the companion is lavishly illustrated throughout and appendices include a timeline of spirits and distillation and a guide to mixing drinks nominated for tales of the cocktails spirited awards 2021 updated with more than 80 new gins this is a book about how to drink gin of all kinds it s about classic gins and new generation gins about gins from all over the world it s about gin enjoyed with tonic and sicilian lemonade about the perfect martini gin and the best gin for a negroni it s about juniper heavy and delicate aromatic gins about gin cocktails that ooze style and personality above all it s about enjoying your gin in ways you never thought possible with more gin brands available than ever before it is the time to set out what makes gin special what its flavours are and how to get the most out of the brands you buy for this new edition dave has revised more than half of the entries to include the best gins available today praise for the first edition of gin the manual you could not write a more sophisticated book or pack more detail onto each page it is rocket science impressive huffington post written by the fortnum mason drinks writer of the year 2020 updated with more than 80 new gins with more gin brands available than ever before you need to know how to choose and get the most out of the brands you buy understanding their flavours so you drink them in the most delicious way possible award winning spirits writer dave broom has tested thousands of gins from all over the world to choose the 125 selected to appear in this book as well as the gin selection he has also tasted and scored each one four ways in a g t a negroni a martini and with lemonade a gin that s perfect for a martini may be exactly the opposite in a g t so not only do you get to drink the world s best gins you get to drink them in the best possible way praise for the first edition you could not write a more sophisticated book or pack more detail onto each page it is rocket science impressive huffington post pandang pand enlightening account of the significant but rarely acknowledged function of wooden barrels over the past two millennia barrels we rarely acknowledge their importance but without them we would be missing out on some of the world's finest beverages most notably whiskies and wines and of course for over two thousand years they ve been used to store transport and age an incredibly diverse array of provisions around the globe in this comprehensive and wide ranging book henry work tells the intriguing story of the significant and ever evolving role wooden barrels have played during the last two millennia revealing how the history of the barrel parallels that of technology at large exploring how barrels adapted to the requirements of the world's changing economy work journeys back to the barrel's initial development describing how the celtic tribes of northern europe first crafted them in the first millennia bee he shows how barrels became intrinsically linked to the use of wood and ships and grew into a vital and flexible component of the shipping industry used to transport not only wine and beer but also nails explosives and even tabasco sauce going beyond the shipping of goods work discusses the many uses of this cylindrical container and its relations including its smaller cousin the keg and examines the process of aging different types of alcohol he also looks at how barrels have survived under threat from today's plastics cardboards and metals offering a new way of thinking about one of the most enduring and successful products in history wood whiskey and wine will be a must read for everyone from technology buffs to beverage aficionados who wish to better understand that evasive depth of flavor life magazine is the treasured photographic magazine that chronicled the 20th century it now lives on at life com the largest most amazing collection of professional photography on the internet
