inhaltsangabe abstract today we observe a development in which the role of  
language is steadily decreasing whereas the impact of pictures is increasing this  
goes hand in hand with a development in which information relies more and more  
on visual concepts more and more language takes the part of explaining how to  
read the visual presentations more and more language takes the part of providing  
the background information which is necessary to understand the meaning of the  
visual foreground kress and van leeuwen 1998 argue that today we seem to move  
towards a decrease of control over language e g the greater variety of accents  
allowed on the public media the increasing problems in enforcing normative  
spelling and towards an increase in codification and control over the visual e g the  
use of image banks from which ready made images can be drawn for the
