2000

this bulletin examines the fascinating stories behind the only known sets of unicorn tapestries in the world one at the met cloisters and another at the musée de cluny paris the thirteen tapestries that compose the two sets six at the cluny and seven at the met remain shrouded in mystery with their origins and original owners still unknown considering the iconography of these two collections together and drawing from primary sources this bulletin aims to reach a better understanding of these masterworks and their mythical subject that has captured the public imagination for centuries

## **The Unicorn's Fowl**

2005-03-30

this collection of 19 original essays argues for a critical and sustained engagement between the fields of craft and heritage the book s interdisciplinary and international array of authors consider how heritage and craft institutions policies practices and audiences encounter the constraints and opportunities of production recognition and exhibition case studies spanning 125 years raise and address questions concerning authenticity and commodification innovation and improvisation diasporas and decolonization global economies and national and professional identities authors also analyse mechanisms through which craft mobilises and has been harnessed by heritage processes and designations examples range from an irish village at the 1893 chicago world s fair and the role of chronopolitics in contemporary vietnamese pottery to the invisibility of crochet within swedish heritagisation processes and the application of game theory in a ceramics museum with section one considering citizenship and identity section two sustainability and section three dynamic craft in cultural institutions craft and heritage interrogates how craft objects makers and processes intersect with current heritage concerns and practices
