the destruction the Yuuzhan Vong have already sown
Warmaster Tsavong Lah has emanded the heads of all the Jedi
now the Jedi knights are in terrible danger and none more so
than the young students at the Jedi Academy on Yavin 4
already the sympathizers known as the Peace Brigade are in
the Yavin system and a Yuuzhan Vong fleet is not far behind
at Luke Skywalker's request Talon Karrde mounts an
expedition to rescue the young students Anakin Solo has his
own ideas impatient and figuring that forgiveness is easier to
come by than permission he takes off for Yavin 4 in his X-wing
when it comes to confidence courage and raw force talent
Anakin has a few peers but when his friend Tahiri is separated
from the other Academy kids and captured by the Yuuzhan
Vong even Anakin may be in over his head for the aliens
have a different future in mind for Tahiri and they will stop at
nothing to achieve their horrific end

american civil wars takes readers beyond the battlefields and sectional divides of the u s civil war to view the conflict from outside the national arena of the united states contributors position the american conflict squarely in the context of a wider transnational crisis across the atlantic world marked by a multitude of civil wars european invasions and occupations revolutionary independence movements and slave uprisings all taking place in the tumultuous decade of the 1860s the multiple conflicts described in these essays illustrate how the united states sectional strife was caught up in a larger

complex struggle in which nations and empires on both sides of the atlantic vied for the control of the future these struggles were all part of a vast web connecting not just washington and richmond but also mexico city havana santo domingo and rio de janeiro and on the other side of the atlantic london paris madrid and rome this volume breaks new ground by charting a hemispheric upheaval and expanding civil war scholarship into the realms of transnational and imperial history american civil wars creates new connections between the uprisings and civil wars in and outside of american borders and places the united states within a global context of other nations contributors matt d childs university of south carolina anne eller yale university richard huzzey university of liverpool howard jones university of alabama patrick j kelly university of texas at san antonio rafael de bivar marquese university of sao paulo erika pani college of mexico hilda sabato university of buenos aires steve sainlaude university of paris iv sorbonne christopher schmidt nowara tufts university jay sexton university of oxford
