

Reading free Biblical myth and rabbinic mythmaking [PDF]

this book aims to retrieve study and reconstruct the phenomenon of monotheistic myth over the course of two millennia from its first literary articulations in the hebrew bible to mythmaking in classic rabbinic midrash and the medieval kabbalistic book of zohar biblical myth and rabbinic mythmaking this is a comprehensive study of myth in the hebrew bible and myth and mythmaking in classical rabbinic literature midrash and talmud and in the classical work of medieval jewish mysticism the book of zohar in several remarkable cases of old rabbinic mythmaking the divine is not portrayed as a bereaving other but as a being in physical partnership with the sorrows of israel indeed the two are figured as a complementary pair or even as two parts of the same body this is a comprehensive study of myth in the hebrew bible and myth and mythmaking in classical rabbinic literature midrash and talmud and in the classical work of medieval jewish mysticism the first point then is that through his study of rabbinic mythmaking fishbane debunks a long standing figure of thought found within modern approaches to religion namely that myth configures a shift in human this is a comprehensive and systematic exploration of myth in the hebrew bible in addition michael fishbane examines the ongoing role of scripture in the expansion and transformation of myth in ancient jewish sources midrash and talmud and in the classical work of medieval jewish mysticism the book of zohar part 1 1 biblical myth introduction 2 combat myths and divine actions 3 personalization and historicization of the combat motif 4 conclusions and other considerations part 2 5 rabbinic myth and mythmaking introduction 6 god and the primordial waters 7 myths of participation and pathos 8 myths of divinity 9 this is the first comprehensive account of biblical myth and mythmaking and its nachleben or afterlife in classical rabbinic literature from the graeco roman period midrash and talmud and biblical myth and rabbinic mythmaking michael a fishbane published 7 august 2003 history i biblical myth 1 introduction 2 combat myths and divine actions prayers and prophecies of divine might 3 personalization and historicization of the combat motif in prayer and prophecy 4 conclusions and other considerations ii this chapter discusses myth and mythmaking in the hebrew bible on the basis of two thematic constellations with reference to a paradigmatic divine action specifically to a divine battle against the sea adduced or invoked in conjunction with origin of the world or subsequent acts of divine power and on the divine personalities themselves who abstract this chapter begins with an exploration of the diverse sources that carried rabbinic myths to the middle ages three patterns are noted a defence of the straightforward sense of scripture and the midrash where they speak in bold imagery about god a denunciation or denial of the apparent straightforward sense of these and other biblical myth and rabbinic mythmaking summary this is the first comprehensive account of biblical myth and mythmaking and its nachleben or afterlife in classical rabbinic literature from the graeco roman period midrash and talmud and liturgical poetry and in its renaissance in jewish mystical texts from spain in the thirteenth century summary this is a comprehensive study of myth in the hebrew bible and myth and mythmaking in classical rabbinic literature midrash and talmud and in the classical work of medieval jewish mysticism the book of zohar this article examines the dynamics of the exodus story in shaping collective identity in early rabbinic literature c 200ce 550ce which was redacted in the centuries following the second jewish revolt against rome and contains literary responses to that violent episode and the ensuing exile biblical myth and rabbinic mythmaking oxford oxford university press 2003 xiv 458 pp published online by cambridge university press 05 november 2007 pamel barmash article metrics get access abstract an abstract is not available for this content so a preview has been provided this is a comprehensive study of myth in the hebrew bible and myth and mythmaking in classical rabbinic literature midrash and talmud and in the classical work of medieval jewish mysticism the book of zohar this introductory chapter begins with an exploration of the concept of myth and the influence of greek myths on jewish culture it then explains the typological approach used to examine the texts in this book as well as the principles of evaluation and analysis that will guide the present study the tradition and transmission of myth the the pride and punishment reading of the story of babel is already firmly fixed in the earliest extant interpretation of gen 11 1 9 in the book of jubilees ca 200 b c e where it is found in the authors explanatory additions to his retelling of the biblical narrative it has been embraced with little basic variation by both
