

International Business 2007

international business covers international business issues from a multinational perspective each chapter features the reverse perspective case that provides material for discussion and or case analysis from a global perspective not necessarily that of the us

The Bulletin 2004

this is an applied text with a strong brand message most texts on the market teach functions but neglect integration and organization which should be the very foundation of marketing this text answers the questions of when to use how to use and who should be involved in the interrelated functions of marketing today this text also teaches the cost effectiveness of developing brand relationship managing the ongoing dialogue between buyer and seller and how to truly integrate the consumer into business to business marketing vs business to consumer marketing b2b and b2c

IMC 2002

International Business covers international business issues from a multinational perspective each chapter features the reverse perspective case that provides material for discussion and or case analysis from a global perspective not necessarily that of the us

2011-08-05

International Business covers international business issues from a multinational perspective each chapter features the reverse perspective case that provides material for discussion and or case analysis from a global perspective not necessarily that of the us
