Christian Healing Rediscovered 1905

there is a simple yet transformative truth that fundamentally changes the way we think about and approach the ministry of praying for others to be healed it s the simple truth that jesus heals the healing ministry to which we are called is not primarily our ministry but christ s what we are called to do is to participate in his ongoing healing ministry and as his ministry continues today through his body the church he invites us to join him in follow the healer stephen seamands draws upon four decades of teaching theology and active involvement in healing ministry to help us grasp the why to of healing that comes before the how to he lays out the essential theological foundations for healing ministry in a way that is simple and accessible this holistic wesleyan approach to healing will help traditional evangelicals more readily embrace healing ministry and lead pentecostals and charismatics already engaged in this ministry move toward a more wholistic and discerning approach to healing

The Ministry of Healing–Illustrated 2010-05

this is a book for everybody who may be interested in health and happiness in his life here on earth and in salvation in heaven in the next life it will be of particular interest to all those involved in the healing ministry in any way it is aimed especially at those who may be unaware of the very existence of such a ministry or those who may be somewhat sceptical about it it is also for all those people in need of physical and mental healing and who have little or no idea of the important role that the spirit has to play in the healing of the whole person the book traces the history of the healing ministry in the church beginning with jesus christ and the apostle it traces the development of the healing ministry in the early church and how this ministry and the sacrament of anointing of the sick gradually became identified with death and dying and as a result almost died out as a sacrament for those who were sick it deals with the revival of the healing ministry in modern times and examines the thorough reformation of the sacrament of the anointing of the sick inaugurated by vatican ii the author discusses some of the reasons why the healing ministry has not been given the priority it deserves in the pastoral ministry of the church and some of the many misunderstandings about this ministry finally he discusses how it may be profitable be more fully used in a world that is badly in need of healing

Healing Ministry Training 2000-08-01

in our deliverance ministry over the years we have seen many physical healings result from the casting out of evil spirits we have recorded a number of these miraculous testimonies here in this teaching we identify the most common spiritual roots of sickness and offer a prayer of freedom from the enemy s harassment in our physical bodies when faced with persistent or chronic sickness the question arises do we have a need for physical healing or is there a need for a deliverance from a spirit of infirmity along with a physical healing for wisdom in the matter we turn to the recorded ministry of jesus christ in all the physical healings performed by jesus in scripture one third of these healings involved the casting out of evil spirits some people he ministered to were in need of purely a physical healing while others required deliverance from harassing spirits those hidden forces operating behind the scenes seeking to block wholeness in one powerful example jesus encountered a woman who had been hunched over for eighteen years attributed by luke to a spirit of infirmity when jesus set her free from this harassing spirit she was instantly healed and stood up straight for the first time in almost two decades in another instance jesus cast out a deaf and mute spirit so that a boy could hear and speak these are not dogmatic rules in each instance we must seek the discernment of the holy spirit for the need at hand because my wife and i operate in the ministry of deliverance the majority of physical healings we have seen resulted from the casting out of evil spirits jesus came to destroy the work of the devil and to heal all those oppressed by the devil the holy spirit desires to reveal whether there is a spirit of infirmity operating in a situation or not the gifts of

the holy spirit are designed to expose the enemy's hand to learn whether hidden forces are in some way hindering a person's progress to wholeness

healing is a gift and not a right the prayer of faith is powerful but the most faithful prayer of power was that of jesus in the garden of gethsemane on the eve of his great ordeal father if you are willing remove this cup from me yet not my will but yours be done luke 22 42 anointing cannot guarantee healing if it could it would border on magic and would imply that we in some way control god s actions god is in control of history and healing it is god who invites us to join into a community of prayer through the ordinance of anointing excerpt from partners in healing though there are countless instances of anointing in the bible it is seldom practiced in many christian traditions today but this essential rite reminds us that god is the true source of restoration and healing and that he is at work in all aspects of our lives anointing affirms and symbolizes our partnership with god and it

invites god to be part of the healing process for anyone who is sick physically emotionally or spiritually partners in healing is a complete guide with all the resources you need to revive this ancient practice as part of a comprehensive ministry of healing in addition to exploring the biblical and historical background for anointing you ll find a wealth of practical easy to use material there s an extensive range of services and prayers as well as sermons you can use to introduce this ministry to congregations unfamiliar with it discussion questions and activities are also included making this an excellent resource for small group study frank ramirez is an author and pastor in the church of the brethren who has written numerous books articles and short stories a graduate of the university of laverne and bethany theological seminary ramirez has served congregations in indiana and california and is currently pastor at everett church of the brethren in everett pennsylvania his other css titles include he took a towel gabriel s horn the christmas star coming home a call to worship and lectionary worship aids

Miracle Maintenance 2005

it s almost undeniable that god is working miracles of healing in evangelization today for theologians pastors and evangelists some questions arise what is the relationship between physical healing and the message of salvation should the church really expect god to do healings in evangelization today father thelen answers these questions by examining the relationship between the preaching of the gospel and physical healing in the new testament the gospel of jesus christ is not simply a message of fact it is a message of power that is often expressed through the working of deeds that serve as signs of the reality preached salvation as signs of the kingdom healings that accompany the preaching of the gospel play an indispensable role in bringing people to faith throughout the new testament the result of this biblical study is a clarion call for the church to renew its faith in god s desire and power to confirm his word through healing as healing becomes more accepted and frequent in evangelization a catholic biblical and theological approach to healing as it relates to evangelization an approach that can be different from its protestant counterpart is necessary this modest book fits this need

Partners in Healing 1997-05

if you want to be healed and especially if you want god to use you to heal others this book is a must read trillions of dollars are spent annually in the health industry in our daily battle with sickness in doing healing alexander venter give us an awesome vision of god s healing power by addressing the questions of how we understand sickness and healing both generally and from a biblical viewpoint and how our worldview affects this understanding how jesus healed people and how he authorised and empowered the church to practice his healing ministry the second half of the book is the praxis of healing ministry in six dimensions of human personhood each a chapter spiritual healing psycho emotional healing from trauma and past hurts deliverance from spiritual powers physical healing healing of relationships and healing of death and dying the last chapter is on how to discern spiritual manifestations and authentic healing
