The Jamaican Affair of 1805 2012-05-08 hornblower now a spy travels through spain to get the french navy to sail then he s off to jamaica to protect against a possible invasion all the intricacies of the plot click together in this very good read about hornblower while keeping his history and character intact

Jamaica in the Age of Revolution 2020-02-21 a renowned historian offers novel perspectives on slavery and abolition in eighteenth century jamaica between the start of the seven years war in 1756 and the onset of the french revolution in 1789 jamaica was the richest and most important colony in british america white jamaican slaveowners presided over a highly productive economic system a precursor to the modern factory in its management of labor its harvesting of resources and its scale of capital investment and ouput planters supported by a dynamic merchant class in kingston created a plantation system in which short term profit maximization was the main aim their slave system worked because the planters who ran it were extremely powerful in jamaica in the age of revolution trevor burnard analyzes the men and women who gained so much from the labor of enslaved people

in jamaica to expose the ways in which power was wielded in a period when the powerful were unconstrained by custom law or for the most part public approbation or disapproval burnard finds that the unremitting war by the powerful against the poor and powerless evident in the day to day struggles slaves had with masters is a crucial context for grasping what enslaved people had to endure examining such events as tacky s rebellion of 1760 the largest slave revolt in the caribbean before the haitian revolution the somerset decision of 1772 and the murder case of the zong in 1783 in an atlantic context burnard reveals jamaica to be a brutally effective and exploitative society that was highly adaptable to new economic and political circumstances even when placed under great stress as during the american revolution jamaica in the age of revolution demonstrates the importance of jamaican planters and merchants to british imperial thinking at a time when slavery was unchallenged

Jamaican Labor Migration 2019-04-11 this book traces the historical process of the west indian labour recruitment and migration out of jamaica after the demise of the sugar industry it examines how the availability of jamaican immigrant labor between 1850 and 1930 fueled the accumulation of capital for entrepreneurs and investors

Haitian Connections in the Atlantic World 2015-09-24 on january 1 1804 haiti shocked the world by declaring independence historians have long portrayed haiti s postrevolutionary period as one during which the international community rejected haiti s declaration of independence and adopted a policy of isolation designed to contain the impact of the world s only successful slave revolution julia gaffield however anchors a fresh vision of haiti s first tentative years of independence to its relationships with other nations and empires and reveals the surprising limits of the country s supposed isolation gaffield frames haitian independence as both a practical and an intellectual

challenge to powerful ideologies of racial hierarchy and slavery national sovereignty and trade practice yet that very independence offered a new arena in which imperial powers competed for advantages with respect to military strategy economic expansion and international law in dealing with such concerns foreign governments merchants abolitionists and others provided openings that were seized by early haitian leaders who were eager to negotiate new economic and political relationships although full political acceptance was slow to come economic recognition was extended by degrees to haiti and this had diplomatic implications gaffield s account of haitian history highlights how this layered recognition sustained haitian independence

Between Alienation and Citizenship 2006 slight revision of author s thesis ph d university of chicago

An Empire Divided 2015-12-14 there were 26 not 13 british colonies in america in 1776 of these the six colonies in the caribbean jamaica barbados the leeward islands grenada and tobago st vincent and dominica were among the wealthiest these island colonies were closely related to the mainland by social ties and tightly connected by trade in a period when most british colonists in north america lived less than 200 miles inland and the major cities were all situated along the coast the ocean often acted as a highway between islands and mainland rather than a barrier the plantation system of the islands was so similar to that of the southern mainland colonies that these regions had more in common with each other some historians argue than either had with new england political developments in all the colonies moved along parallel tracks with elected assemblies in the caribbean like their mainland counterparts seeking to increase their authority at the expense of colonial executives yet when revolution came the majority of the white island colonists did not side with their compatriots on the mainland a major contribution to the history of the american revolution an empire

divided traces a split in the politics of the mainland and island colonies after the stamp act crisis of 1765-66 when the colonists on the islands chose not to emulate the resistance of the patriots on the mainland once war came it was increasingly unpopular in the British Caribbean nonetheless the white colonists cooperated with the British in defense of their islands O'Shaughnessy decisively refutes the widespread belief that there was broad backing among the Caribbean colonists for the American Revolution and deftly reconstructs the history of how the island colonies followed an increasingly divergent course from the former colonies to the north

American Revolution [5 volumes] 2018-09-14 with more than 1,300 cross-referenced entries covering every aspect of the American Revolution this definitive scholarly reference covers the causes, course, and consequences of the war and the political, social, and military origins of the nation this authoritative and complete encyclopedia covers not only the eight years of the American Revolutionary War (1775-1783) but also the decades leading up to the war beginning with the French and Indian War and the aftermath of the conflict with an emphasis on the early American Republic volumes one through four contain a series of overview essays on the causes, course, and consequences of the American Revolution followed by impeccably researched A-Z entries that address the full spectrum of political, social, and military matters that arose from the conflict each entry is cross-referenced to other entries and also lists books for further reading in addition there is a detailed bibliography, timeline, and glossary a fifth volume is devoted to primary sources each of which is accompanied by an insightful introduction that places the document in its proper historical context the primary sources help readers to understand the myriad motivations behind the American Revolution the diplomatic, military, and political maneuvering that took place during the conflict and landmark documents that shaped the founding and early development of the United States

Democracy 2007-04-02 democracy identifies the general processes causing democratization and de democratization at a national level across the world over the last few hundred years it singles out integration of trust networks into public politics insulation of public politics from categorical inequality and suppression of autonomous coercive power centres as crucial processes through analytic narratives and comparisons of multiple regimes mostly since world war ii this book makes the case for recasting current theories of democracy democratization and de democratization

The Cambridge History of the English Language 1992 volume 5 covers the dialects of england since 1776 the historical development of english in the former celtic speaking countries and english other countries

Haitian Revolutionary Studies 2002-08-12 the haitian revolution of 1789 1803 transformed the caribbean s wealthiest colony into the first independent state in latin america encompassed the largest slave uprising in the americas and inflicted a humiliating defeat on three colonial powers in haitian revolutionary studies david patrick geggus sheds new light on this tremendous upheaval by marshaling an unprecedented range of evidence drawn from archival research in six countries geggus s fine grained essays explore central issues and little studied aspects of the conflict including new historiography and sources the origins of the black rebellion and relations between slaves and free people of color the contributions of vodou and marronage to the slave uprising toussaint louverture and the abolition question the policies of the major powers toward the revolution and its interaction with the early french revolution are also addressed questions about ethnicity identity and historical knowledge inform this essential study of a complex revolution

Arise Ye Mighty People! 1994 arise ye mighty people witnesses the continuous resistance to the multiple oppressions leveled against women and men of color throughout the world

American Revolutions: A Continental History, 1750-1804 2016-09-06 excellent deserves high praise mr taylor conveys this sprawling continental history with economy clarity and vividness brendan simms wall street journal the american revolution is often portrayed as a high minded orderly event whose capstone the constitution provided the nation its democratic framework alan taylor a two time pulitzer prize winner gives us a different creation story in this magisterial history the american revolution builds like a ground fire overspreading britain s colonies fueled by local conditions and resistant to control emerging from the continental rivalries of european empires and their native allies the revolution pivoted on western expansion as well as seaboard resistance to british taxes when war erupted patriot crowds harassed loyalists and nonpartisans into compliance with their cause the war exploded in set battles like saratoga and yorktown and spread through continuing frontier violence the discord smoldering within the fragile new nation called forth a movement to concentrate power through a federal constitution assuming the mantle of we the people the advocates of national power ratified the new frame of government but it was jefferson s expansive empire of liberty that carried the revolution forward propelling white settlement and slavery west preparing the ground for a new conflagration

Dictionary of Jamaican English 2002 the method and plan of this dictionary of jamaican english are basically the same as those of the oxford english dictionary but oral sources have been extensively tapped in addition to detailed coverage of literature published in or about jamaica since 1655 it contains information about the caribbean and its dialects and about creole languages and general linguistic processes entries give the pronunciation part of speech and usage of labels spelling variants etymologies and dated citations as well as definitions systematic indexing indicates the extent to which the lexis is shared with other caribbean countries

The Material Atlantic 2016 a fascinating account of the trade patterns and consumption practices that arose following european colonisation of the atlantic world focusing on textiles and clothing robert duplessis reveals how globally sourced goods shaped the material existence of virtually every group in the atlantic basin during the seventeenth and eighteenth centuries

Business America 1983 includes articles on international business opportunities

More Jamaica Old-Time Sayings 2010-11 jamaicans like others around the world often experience a tugging at the heart that can only be assuaged by pleasant memories in her collection of old jamaican proverbs edna bennett shares the powerful messages and folk wisdom of the jamaican people conveying not only the mellowness of nostalgia but also the gentleness of the island culture led by a desire to keep her culture alive bennett urges others to take five cock up yu foot and member what yu old people used to say as she offers collective wisdom presented in jamaican dialect with english translations unforgettable sayings gathered from over three hundred years of jamaican history include ban yu belly be prepared for hardships cotton tree fall dung nanny goat jump over it when the mighty falls the humblest may take advantage of him and yu se man face yu nuh se im heart you cannot tell a man s true feelings by the look on his face more jamaica old time sayings will spur memories transport jamaicans back to the roots of their culture and encourage others to not live their lives like a kitchen without a knife but to focus on the whetstone of jamaican wisdom

The Governors-General 2014-01-01 in this remarkable revisionist study webb shows that english imperial policy was shaped by a powerful and sustained militaristic autocratic tradition that openly defined english empire as the imposition of state control by force on dependent people he describes the entire military connection that found expression in the garrisoned cities of england scotland and ireland and ultimately in the palisaded plantations of jamaica virginia and new england originally

published in 1987 a unc press enduring edition unc press enduring editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print these editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Slavery, Geography and Empire in Nineteenth-Century Marine Landscapes of Montreal and Jamaica

2017-07-05 slavery geography and empire in nineteenth century marine landscapes of montreal and jamaica is among the first slavery studies books and the first in art history to juxtapose temperate and tropical slavery charmaine a nelson explores the central role of geography and its racialized representation as landscape art in imperial conquest one could easily assume that nineteenth century montreal and jamaica were worlds apart but through her astute examination of marine landscape art the author re connects these two significant british island colonies sites of colonial ports with profound economic and military value through an analysis of prints illustrated travel books and maps the author exposes the fallacy of their disconnection arguing instead that the separation of these colonies was a retroactive fabrication designed in part to rid canada of its deeply colonial history as an integral part of britain s global trading network which enriched the motherland through extensive trade in crops produced by enslaved workers on tropical plantations the first study to explore james hakewill s jamaican landscapes and william clark s antiguan genre studies in depth it also examines the montreal landscapes of artists including thomas davies robert sproule george heriot and james duncan breaking new ground nelson reveals how gender and race mediated the aesthetic and scientific access of such mainly white male artists she analyzes this moment of deep political crisis for british slave owners between the end of the slave trade in 1807 and complete abolition in 1833 who employed visual culture to imagine spaces free of conflict and to alleviate their pervasive anxiety

about slave resistance nelson explores how vision and cartographic knowledge translated into authority which allowed colonizers to civilize the terrains of the so called new world while belying the oppression of slavery and indigenous displacement

The Caribbean Basin 2013-10-08 the caribbean basin an international history provides a study of the entire caribbean region including central america and the caribbean coast of northern south america it also offers analysis of the role of international intervention the complex interaction among major world powers in the area conflicts over colonial possessions and trade routes soviet american confrontation in the cold war years integrating the recent political social and economic history of the caribbean with its military and diplomatic past this book charts the region s emergence from colonialism during the course of the twentieth century

Trading with the Enemy 2021-06-08 a ground breaking account of british and french efforts to channel their eighteenth century geopolitical rivalry into peaceful commercial competition britain and france waged war eight times in the century following the glorious revolution a mutual antagonism long regarded as a second hundred years war yet officials on both sides also initiated ententes free trade schemes and colonial bargains intended to avert future conflict what drove this quest for a more peaceful order in this highly original account john shovlin reveals the extent to which britain and france sought to divert their rivalry away from war and into commercial competition the two powers worked to end future conflict over trade in spanish america the caribbean and india and imagined forms of empire building that would be more collaborative than competitive they negotiated to cut cross channel tariffs recognizing that free trade could foster national power while muting enmity this account shows that eighteenth century capitalism drove not only repeated wars and overseas imperialism but spurred political leaders to strive for global stability

Caribbean Transformations 2007-01-01 contact and clash amalgamation and accommodation resistance and change have marked the history of the caribbean islands it is a unique region where people under the stress of slavery had to improvise invent and literally create forms of human association through which their pasts and the symbolic interpretation of their present could be structured caribbean transformations is divided into three major parts each preceded by a brief introductory chapter part one begins with a look at the african antecedents of the caribbean then discusses slavery and the plantation system two chapters deal with slavery and forced labor in puerto rico and the history of a puerto rican plantation part two is concerned with the rise of a caribbean peasantry the erstwhile slaves who separated themselves from the plantation system on small plots of land this creative adaptation led to the growth of a class of rural landowners producing a large part of their own subsistence but also selling to and buying from wider markets mintz first discusses the origins of reconstructed peasantries and then proceeds to the specifics of the origins and history of the peasantry in jamaica part three turns to caribbean nationhood the political and economic forces that affected its shaping and the social structure of its component societies a separate chapter details the case of haiti the book ends with a critique of the implications of caribbean nationhood from an anthropological perspective stressing the ways that class color and other social dimensions continue to play important parts in the organization of caribbean societies caribbean transformations lucidly written and presenting broad coverage of both time and space is essential reading for anthropologists sociologists historians and all others interested in the caribbean in black studies in colonial problems in the relationships between colonial areas and the imperial powers and in culture change generally sidney w mintz is currently professor emeritus department of anthropology at johns hopkins university he founded the department there in 1975 he has done extensive field research in puerto rico jamaica

and haiti as well as in iran he recently launched a research program in hong kong to study the consumption and production of soybean and is now examining soy products in the united states

The Caribbean 2013-11-07 gad heuman provides a comprehensive introduction the history of the caribbean from its earliest inhabitants to contemporary political and cultural developments topics covered include the amerindians sugary and slavery race racism and equality the aftermath of emancipation the revolutionary caribbean cultures of the caribbean this new edition is fully revised and updated with new material on the pre columbian era and the hispanic caribbean it takes account not only of the political and social struggles that have shaped the caribbean but also provides a sense of the development of the region s culture the caribbean a brief history is ideal for students and those seeking a clear and readable introduction to caribbean history

Islands Magazine 1986-11 this book is the first systematic cross disciplinary survey on the use of jamaican english in ethiopia describing the dynamics of language acquisition in a multi lectal and multicultural context it is the result of over eight years worth of research conducted in both jamaica and africa and is a recognition of the trans cultural influence of the repatriation movement and other diasporic movements the method and materials adopted in this book point to a constant spread and diffusion of jamaican culture in ethiopia this is reinforced by the universalistic appeal of rastafarianism and reggae music and their ability to transcend borders the data gathered here focus on how an anglophone based creole has developed new speech forms and has been hybridized and cross fertilized in contact situations and by new media sources the book focuses on the use of jamaican english in four particular domains namely school street family and the music studio its findings are drawn from an exceptional range of sources such as field work and video recordings interviews web mediated communication artistic performance and relevant transcriptions these sources highlight five

topics of relevance language acquisition and choice english and jamaican speech forms hegemonic and minority groups rastafarian culture and reggae music which are explored in further detail throughout the book these salient features in turn interface with the dynamics of influencing factors reinforcing circumstances significance and change the book represents a journey to the extreme outer circle of english language use following a circular route away from africa and back again with all the languages used and lost along the slavery route and inside the plantation complex developing into creolized speech forms and creoles such language use is now making its way back to africa with all the incendiary creativity of reggae and resonant with rastafarian language

Report of the Lords of the Committee of Council Appointed for the Consideration of All Matters Relating to Trade and Foreign Plantations 1789 an indispensable series for anyone who wishes to keep abreast of recent work in the field welsh history review

Jamaican Speech Forms in Ethiopia 2015-04-01 publicly betrothed to baret buckington her handsome sea captain emerald harwick can scarcely contain her joy she will manage her plantation s great house on jamaica until his return from sailing with buccaneer henry morgan and then they will marry meanwhile she will begin a singing school and translate the african slave chants god s songs of redemption but then problems out of the past put in an unexpected appearance emerald is abducted and finds herself on an unscheduled sea voyage that long ago stolen treasure from the prince philip comes into play once more baret hopes to free his imprisoned father and unearth the treasure but baret s enemy pirate rafael levasseur emerges as a final threat to emerald s cherished hopes can the god in whom she trusts indeed cause all things to work together for good
