## ***Death of the Traditional Real Estate Agent 2015-03-20***

death is just a word or is it for sure it s a powerful word in fact if you stop and think about it for a minute words can propel you to incredible levels of success selling real estate or they can leave you without any business to speak of since i entered the real estate industry in 1990 i have seen a lot of changes i remember when there was no mls on computer there was simply a book released each month with area real estate company s listings i remember when there were no cell phones readily used by agents no internet used by agents and absolutely no social media i could go on and on and on about all of that in doing so i would bore even confuse you as to why we are writing this book why it s relevant to you important that you read it and study its words so i will stop with the nostalgia right now and get back to words even though nostalgic is how i would describe the traditional real estate agent like it or not if you are a real estate agent broker or any other real estate business professional where selling is required you should know that you are in the marketing business you can claim you are in the real estate business but doing so damages your ability to really do amazing things with your business yes you are in the marketing business

## **How to Invest in Real Estate 2020-11-07**
