The first part of the report, which covers the period from 2007 to 2012, is divided into two main sections. The first section, titled 'The context of the crisis', provides a detailed overview of the economic and social challenges faced by the UK during this period. It discusses the impact of the global financial crisis, the recession, and the subsequent recovery. The second section, titled 'The role of the government', examines the policies and actions taken by the government to address the crisis. This includes measures to stimulate the economy, support businesses, and protect the welfare of citizens.
