~~sessions research support and collection~~
development to be at their best in these roles
subject liaisons need a working understanding
of technical services functions this book
represents the first guide to speak directly
to the needs and responsibilities of subject
liaisons clearing away unnecessary information
and jargon to bring them up to speed on how
technical services staff get things done clear
and concise this guide covers policy budgets
and funding submitting orders acquisitions
ordering processing cataloging deselection and
weeding and other major technical services
duties includes appropriate background
information on each topic to enhance readers
understanding provides questions you should be
asking connected to each chapter which
encourage subject liaisons to be proactive in
their learning and offers a glossary of common
technical services terms armed with this guide
s targeted information subject liaisons will
be able to better position themselves to serve
both instructors and the library effectively
