a look inside the world of sorority life offers an eye opening view of the drugs psychological abuse promiscuity racism violence and other problems that are rampant among young women in a typical sorority

Inside Greek U.

2007-10-12

this study examines the potentially damaging influence of fraternities and sororities and how a new approach could transform greek life popular films such as revenge of the nerds and old school portray college greek organizations as a training ground for malevolent young aristocrats yet they fail to depict the enduring influence of these organizations inside greek u provides an in depth analysis of how fraternities and sororities bolster damaging definitions of gender and sexuality negatively impacting the lives of their members using evidence gathered in hundreds of focus groups and personal interviews as well as his years of experience as a faculty advisor to greek organizations alan d desantis examines the limited gender roles available to greeks real men are unemotional sexually promiscuous and violent nice girls are nurturing domestic and pure these rigid formulations often lead to destructive attitudes and behaviors such as eating disorders date rape sexual misconduct and homophobia they also impede students intellectual and emotional development long after graduation while many students choose greek life in search of positive social engagement the current culture can be profoundly damaging inside greek u demonstrates how with a new approach fraternities and sororities could serve as an enriching influence on individuals and campus life

Affirming Identity, Advancing Belonging, and Amplifying Voice in Sororities and Fraternities

2024-04-01

in the wake of the abolishgreeklife and other calls for racial justice the role of identity development also becomes ever increasingly important as we consider how to make the sorority fraternity more inclusive for our students in the end it may really be the power of inclusion on college campuses that leads to many of the educational goals that we yearn for in student growth the formal and informal social interactions bonded in reflective learning that help build social and academic success in this we can celebrate together especially those of us who have romanticized so many bright college years this text is a response to a call for existential exploration as an attempt to critically revivify our understanding of the sorority fraternity experience as it contributes specifically to students identity development and learning the text is grouped around centering their experiences through three a s amplifying voice affirming identity and advancing belonging to highlight the identity experiences of the diverse spectrum of fraternity and sorority members across the intersections of identity so often excluded from the literature chapters in this text attempt to foreground how the fraternity sorority experience explicitly contributes to these areas of student development across multiple identities including race ethnicity culture gender identity social class and ability authors critically interrogate systems of oppressions that subjugate marginality from those with intersectional identities to recognize the larger challenges facing the sorority fraternity movement as an attempt to disrupt these systems to better identify influences on identity development endorsements pietro sasso and associates are leading a game

changing conversation about the impact of fraternity and sorority communal experiences on student identity pietro sasso and the contributing authors of this robust text successfully endeavor to inform practice through critical analysis framing important questions and offering pragmatic solutions that are timely relevant and practical in both the academy and the fraternal system this book is a must read for anyone seeking to understand or have a relevant impact on the intersections of sense of belonging identity development and sorority fraternity life jason l meriwether campbellsville university in their most recent book examining contemporary sorority and fraternity life sasso biddix and miranda have curated discerning chapters that expand existing scholarship by exploring the impact of fraternity and sorority membership on identity development belonging and student voice through critical lenses this book should be on the bookshelf of all higher education administrators and faculty gavin henning new england college

Fraternities and Sororities in the Contemporary Era

2018-10-31

fraternities sororities in the contemporary era examines the issues and challenges pertaining to the american college fraternity sorority community on american college campuses otherwise known as greek life the text argues for its continuing relevance despite widespread media criticism the authors of this volume claim that fraternities and sororities offer opportunities for a sense of belonging student success and social support systems for mental health in particular they can afford feelings of mutual identity and community service benefits in general the authors attempt to crystallize values and augment leadership development by urging organizations to reaffirm their commitment to the academic mission one that requires consistent support from university leadership and concerned alumni this text also provides an alternative counternarrative by providing a brief history of the academy's relationship with greek life and provide examples where the latter is no longer relevant to university ideals in which residential functions and developmental gains can be replicated by other campus programs and initiatives this volume concludes that for fraternities and sororities to continue parent or host institutions will need to exert greater jurisdiction and accountability through certified advisors additional supervision and measured on outcomes focused primarily on student learning

Black Greek-letter Organizations in the Twenty-First Century

2008-06-13

during the twentieth century black greek letter organizations bglos united college students dedicated to excellence fostered kinship and uplifted african americans members of these organizations include remarkable and influential individuals such as martin luther king jr congresswoman barbara jordan novelist toni morrison and wall street pioneer reginald f lewis despite the profound influence of these groups many now question the continuing relevance of bglos arguing that their golden age has passed partly because of their perceived link to hip hop culture black fraternities and sororities have been unfairly reduced to a media stereotype a world of hazing without any real substance the general public knows very little about bglos and surprisingly the members themselves often do not have a thorough understanding of their history and culture or of the issues currently facing their organizations to foster a greater engagement with the history and contributions of bglos black greek letter organizations in the twenty first century our fight has just begun brings together an impressive group of authors to explore the contributions and continuing possibilities of bglos and their members editor gregory s parks and the contributing authors provide historical context for the development of bglos exploring their service activities as well as their relationships with other prominent

african american institutions the book examines bglos responses to a number of contemporary issues including non black membership homosexuality within bglos and the perception of bglos as educated gangs as illustrated by the organized response of bglo members to the racial injustice they observed in jena louisiana these organizations still have a vital mission both internally and externally bglos struggle to forge a relevant identity for the new century internally these groups wrestle with many issues including hazing homophobia petty intergroup competition and the difficulty of bridging the divide between college and alumni members externally bglos face the challenge of rededicating themselves to their communities and leading an aggressive campaign against modern forms of racism sexism and other types of fear driven behavior by embracing the history of these organizations and exploring their continuing viability and relevance black greek letter organizations in the twenty first century demonstrates that bglos can create a positive and enduring future and that their most important work lies ahead

for more than thirty five years the insider s guide to the colleges has been the favorite resource of high school students across the country because it is the only comprehensive college reference researched and written by students for students in interviews with hundreds of peers on campuses from new york to hawaii and florida to alaska our writers have sought out the inside scoop at every school on everything from the nightlife and professors to the newest dorms and wildest student organizations in addition to the in depth profiles of college life this 37th edition has been revised and updated to include essential statistics for every school from acceptance rates to the most popular majors a college finder to help students zero in on the perfect school insider s packing list detailing what every college student really needs to bring fyi sections with student opinions and outrageous off the cuff advice the insider s guide to the colleges cuts through the piles of brochures to get to the things that matter most to students and by staying on top of trends and attitudes it delivers the straight talk students and parents need to choose the school that s the best fit

Ithaca College 2012

2011-03-15

susquehanna university s history from 1858 to 2000 has occurred in three stages each expressing a different mission the school was founded in 1858 as the missionary institute of the evangelical lutheran church to fulfill the vision of the rev benjamin kurtz a lutheran cleric and editor of the lutheran observer he was a partisan of the

american lutheran viewpoint caught up in a fratricidal battle with lutheran orthodoxy the missionary institute sustained his viewpoint in the preparation gratis of men called to preach the gospel in foreign and home missions a complementary purpose was to educate young people in selinsgrove pennsylvania at both the institute and its sister school the susquehanna female college when the female college folded in 1873 the institute became coeducational
