#### **Learn Languages : How to Learn Any Language Fast in Just 168 Hours (7 Days)**

2015-04-21 you ve been doing it all wrong trust me so you ve taken some german classes woop dee do are you good at it yet maybe mediocre at best right so you ve learned all the ways to conjugate a spanish verb do you think you can understand those mexicans now when they talk rapidly to each other probably not get this the problem is that although cramming vocabulary into your brain and learning all the rules of your favorite language may get you a little push they don t get you to the finish line being ingrained in a culture language and the conversation level the locals speak at is a whole different story some of these programs and courses don t tell you about do yourself a favor and stop wasting precious time you re better than that i ve had years of experience in learning and teaching and have mastered several languages how did i do it how did i get to speaking two languages fluently and four others on a considerably high level the answer may surprise you take a look inside the book to figure it out genius i know you can do it

**How to Learn Any Language** 2018-04-26 tells how to learn a foreign language by using all available language tools taking advantage of brief moments of free time using a special vocabulary memory system and reading publications and watching movies in the language one s learning

*How to Learn Any Language* 1991 how to learn a new language in as little as a few months and have a boatload of fun doing it let me make a prediction i predict that many many hundreds of people who will read this description will close this page in a few seconds learn a new language in a few months are you out of your mind they ll say it s just too good to be true and they will go back to their old language learning methods you know which methods toiling away at mind numbing grammar exercises learning words nobody uses and most importantly never actually using your skills to communicate with another person if you re still with me i expect you to be different you think there must be something better after all how could people master more than one foreign language in their lives if it usually takes a regular person several years just to learn the basics the answer is simple in one way or another they follow the methods i share in how to learn any language in a few months while enjoying yourself they not only learn up to ten times faster than other people they also have a lot of fun while doing it how to learn any language in a few months while enjoying yourself is for you if you want to learn without this one thing

you ll never learn a new language in just a few months learn what it is and how to apply it to your everyday life to practice your skills while doing your daily activities a completely free way to get native speakers to proofread your writings and even explain to you all of your mistakes this one site alone can dramatically improve your writing skills an extremely easy way to find a native speaker willing to help you learn her mother language it s almost like having a private tutor the proper way to improve your listening skills while watching movies most people learning a foreign language do it the wrong way and it does nothing to improve their abilities how to achieve more with less when learning languages you don t have to spend hours and hours cramming every single word and grammar rule in fact it works to your detriment learn what to do instead 9 common mistakes to avoid when learning languages reading this chapter alone can save you years of ineffective studies especially mistake 3 so common among language learners a 5 step process to improve your reading skills you can make your learning process much more enjoyable and effective by choosing the right things to read learn what these things are a fun idea to learn how to write the way native speakers do you too can learn the slang and phrases only native speakers use and know the language better than many academic professors how to dramatically improve your language skills when traveling while it isn t necessary to go abroad to learn a language it s a powerful way to cram a lot of learning into just a few days 5 common challenges of language learners and how to deal with them learn how to get over the fear of communicating with native speakers discover how to find more time to learn and practice your skills read three tips on how to deal with discouragement if you re ready to supercharge your progress and become fluent in a foreign language in as little as a few months click the buy button why kill yourself doing things the old non effective way if you could make the process much easier and enjoy it more too p s as a gift for buying my book you ll get a resource list with my favorite language learning sites keywords learn a language in 3 months learn a foreign language learn another language learn any language become fluent in any language be fluent in 3 months learning languages learn languages learn languages fast language learning methods learning a new language learning a language learning foreign languages learning another language how to learn a new language how to learn a foreign language

How to Learn Any Language in a Few Months While Enjoying Yourself 2015-05-01  

  2018 if learning a new language is really difficult can you explain how you know the english language which has more than 100 000 words this book aims to help readers understand how they learn and remember language it is especially helpful for those who believe that learning a new language is difficult and time consuming not to mention the intense effort involved in memorizing new words and usage rules turning this assumption on its head akhila phadnis and meghna chandrika narendran show how easy it in fact is providing pointers and exercises that serve as memory hacks to enhance our ability to absorb and retain vocabulary as well as the underlying rules of grammar what is more it unravels basic rules that can be applied to any language and can even be used to improve proficiency in languages already known the worksheets provided at the end of the book serve to boost and consolidate the skills imparted in every chapter fast and fluent will not only help you pick up a new language fast it will also help you communicate effectively in any language of your choice

*Fast and Fluent; Memory Hacks to Learn Any Language* 2019-05-20 i don t know when i started obsessing over learning a lan guage it just happened i think it had to do primarily with failing at every attempt i ever took to learn a language my success came after learning hypnosis and neurolinguistic pro gramming i learned how to model experts to determine how they were able to do what they did in such an expert fashion it really made sense to me to adopt this approach and for this reason i decided that i would start modeling experts on every subject i wanted to become an expert on and then go out and share my findings with the rest of the world this book is no different i modeled experts i found who could learn a foreign language even the most difficult to learn and be speaking fluently in a couple days not months or years what commonality i found inherent in all of these experts is what i share with you in this book plus a lot more if you want to learn a language faster than you think possible then pick up a copy of this book today it will help you you will love it learn a language fast speed learning accelerated learning accelerated language learning how to learn a language language learning learn a language fast how to memorize anything

PLG 2021-10-22 as society becomes more global you should equip yourself with knowledge of foreign languages what better language to start with than german german has a reputation for being a difficult language to learn especially for english speakers while there is some truth to that its grammar rules are more complicated and it has sounds that don t exist in the english language learning a new language will always be a challenge no matter what it is to foreign language learners this book learn german for beginners offers an effective way to learn the basics of german but first let s be clear about what this book isn t if you re looking for a book that offers a method for mastering a language in few simple steps this isn t it if you want a book that can make you fluent in german in no time this also isn t it in fact if you found a book or any language learning resource promising those kinds of things throw them away learning a new language takes time and dedication unless you re gifted there s no shortcut so what can you expect from this book chapter 1 is all about the basics you ll learn about the german alphabet which is similar to the english alphabet but sounds differently how to pronounce words the right way and how to deal with numbers this chapter will also show you that you already know a significant amount of german words even before you decided to study it the second chapter deals with nouns and its companion the articles it explains how to identify which nouns are masculine feminine or neuter and how to form the plural as an english speaker the concept of having gendered nouns may be unusual this chapter is filled with examples so you can start familiarizing yourself with them in chapter 3 you will learn about verbs and how to conjugate them it also explains the different verb tenses that you are most likely to use and encounter as a beginner in the german language chapter 4 is about the german case system this is one of the topics that makes many learners of the german language scratch their head cases may seem strange when you first encounter them but if you re still familiar with the concepts of english grammar understanding cases won t be difficult and you ll only need to memorize the rules you ll also learn in this chapter how to form your own simple german sentences in chapter 5 you ll learn about adjectives adverbs and prepositions this chapter discusses in detail the different rules on how to properly use these words when you build sentences chapters 6 to 10 contains words and expressions that you will find useful for everyday situations and for when you go on a trip to a german speaking country finally each chapter ends with a set of exercises so you can gauge how well you re doing on your german learning journey so if you want to improve your reading writing and speaking skills in this language you need to make a change decide for yourself that you want to gain more opportunities take this risk you will not regret it this book is everything you need as a beginner so what are you still waiting for start reading this book to fulfill your goals scroll to the top of the page and select the buy now button

Super Learning 2017-02-27 this book doesn t contain any letters in foreign alphabet all words in this book were written in english transliteration have you always wanted to learn how to speak a foreign language but simply didn t have the time well if so then look no further you can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in the twenty seven most common languages in creating this time saving program master linguist yatir nitzany spent years examining those twenty seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations these three hundred and fifty words were chosen in such a way that they were structurally interrelated and when combined form sentences through various other discoveries about how real conversations work discoveries that are detailed further in this book nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant now if you want to learn complicated grammar rules or the non romanized alphabet of a foreign language this book is not for you however if you need to actually hold a conversation while on a trip to a foreign country to impress that certain someone or to be able to speak with your grandfather or grandmother as soon as possible then the nitzany method is what you have been looking for this method is designed for fluency in a foreign language while communicating in the first person present tense nitzany believes that what s most important is actually being able to understand and be understood by another human being right away therefore unlike other courses all words in this program are taught in english transliteration without having to learn the complex alphabet more formalized training in grammar rules etc can come later this is one of the several in a series of instructional language guides the nitzany method s revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible no more depending on volumes of books of fundamental beginner intermediate and advanced

levels all with hundreds of pages in order to learn a language with conversational language quick and easy all you need is this book learn twenty seven languages today not tomorrow and get started now the 27 languages in this book are french italian portuguese spanish german dutch norwegian turkish polish russian hebrew classical arabic egyptian arabic dialect lebanese arabic dialect iraqi arabic dialect moroccan arabic dialect palestinian arabic dialect saudi arabic dialect syrian arabic dialect farsi pashto hindi urdu cantonese chinese mandarin chinese japanese indonesian

**Learn German for Beginners** 2021-02-07 with over 40 of our worlds population only knowing 1 language making yourself stick out from the crowd by knowing 2 or even 3 languages has never been so simple if you are someone who has always wanted to learn the basics to french in one sitting then keep reading jessica really wanted to learn french but thought she just couldn't find the time to do so she tried everything from one on one lessons before work to attending local french themed parties in hopes of finding french speaking friends nothing seemed like it was going to work and if it did it was going to take too much time for jessica to commit to with no positive results coming from any of these language learning attempts jessica began to believe that learning a new language was going to be an impossible task luckily for people like jessica with busy work schedules learning the basics to the french language has never been easier thanks to the language lessons contained within this book people like jessica now have the ability to learn french with ease in fast track french learning lessons you'll get 3 hours of authentic french language learning the knowledge of how to say and pronounce 1000 french words like a pro bonus quizzes at the end of each chapter to keep track of your progress 23 different categories ranging from numbers to animals for you to learn from and much more fortunately you no longer need a huge amount of money or months of time to learn a new language everything you need to get to know about the basics to french can be found right here so if you want to save time and learn the french language in the most beginner friendly way then click the add to cart button now

**Conversational Languages** 2019-10-26 2 books in 1 learn any language learn french do you need to learn a language this is the place to do it no questions asked this book uses a combination of orthodox immersion methods in order to make you go in one end a complete newbie to a language and come out the other a fluent speaker it won't be any shortage of work on your part but this book is going to set you up with all the tools that it possibly can so that you can be a fantastic speaker of a second language in as short of a time as a few months through encouragement motivation rational observation and careful breaking down of key concepts into malleable bite sized chunks this book makes learning language easier than it's ever been before book 2 are you looking for the best way to learn french well look no further this book is simply put the best on the market for learning french why do i say that because this book does what language books should do teach you the mechanics of the language not a bunch of tourist trap phrases that you'll forget the second you leave the country if books don't do that then they make the critical mistake of going into far too much detail and managing to bore you half to death by virtue of the fact that they've spent 30 pages going on about three different kinds of articles i don't do that either what this book does do and does very well in fact is set you up with the knowledge that you want and need of french in a very short time frame so that you can blast through this book and already feel like you're set up for success this book isn't a reference nor is it a crash course on the french language it's both you'll read through this book and understand then you'll apply what you've learned and inevitably look back at this book down the line to rehash your memory and you'll grow even more as a french speaker don't waste your time and money on a subpar french book go with the best from the get go
