Twin-Win Research 2022-07-07 during the second world war as canada struggled to provide its allies with food public health officials warned that malnutrition could derail the war effort posters admonished canadians to eat right because canada needs you strong while cookbooks helped housewives become housoldiers through food rationing menu substitutions and household production ian mosby explores the symbolic and material transformations that food and eating underwent as the canadian state took unprecedented steps into the kitchens of the nation changing the way women cooked what their families ate and how people thought about food canadians in turn rallied around food and nutrition to articulate new visions of citizenship for a new peacetime social order

The Win-Win Wealth Strategy 2013-07-25 after louis brittz and his family became the victims of an armed robbery abduction death threats and rape they experienced how in louis s words by god s grace we could walk out of that experience without any harm to our soul and spirit they have experienced immediate wholeness and healing and people thought that they were either lying or possessed some kind of superpower but louis has realised that god had been teaching them for years to live according to certain principles this together with god s presence enabled them to deal with what had happened in such a remarkable way out of this experience born to win was born we are born to win and everyone from the most ordinary person to the super talented can be a winner it has been written into our dna by god himself this book is not an action plan it is an invitation to bring spesific areas of your life before god and ask him to change you neither is it a book that tries to deal with every little issue that could possibly improve your quality of life it will not tell you what music to listen to where to spend your holiday or how drinking green tea will aid digestion louis focusses on matters that he believes are essential for living in victory it is a journey through god s resources to change his children into winners louis discusses topics such as winners have lost everything winners are able to forget winners know who they are winners ask the hard questions winners can master their thoughts winners are baggage free born to win offers you a blueprint of the things that differ in the life of a winner from that of someone else and will enable you to be more than a conqueror in all circumstances

FT Essential Guide to Negotiations ePub eBook 2013-11-06 how best to adapt established companies to a rapidly changing economy has long been a topic of debate in both the corporate and academic worlds this challenge is especially pressing for large organizations that may have grown top heavy and rigid with time but now need to be light on their feet to stay relevant and profitable until now the best attempts have consisted of plucking tools and methods from the world of start ups and applying them wholesale in large corporate environments most of these efforts have either fizzled or failed outright because they lacked a framework for a comprehensive corporation sized rollout
