Twelve-Step Fandango 2009-10-13 martin brock is living a wasted life he wants to be happy he wants to have a girlfriend who can stand to be near him he wants his friends to respect him burned out and self deluded he takes each day as it comes dealing low quality cocaine to tourists his head in a perpetual cloud of pot smoke martin knows he s in a rut but he lacks the will to dig himself out incapable of changing his life he hopes instead that one day something momentous will simply fall into his lap and one day it does an old friend rides into town unannounced and uninvited needing a place to lie low for a couple of days he says he s been in a motorcycle accident and hides a badly infected leg beneath his expensive leathers martin almost cares but he s far more interested in what s concealed beneath the seat of the bike five kilos of high grade cocaine suddenly martin has the means to escape his miserable existence all he needs is a little time and a lot of luck but martin brock is not a lucky man he s spent years dreaming of a life of ease a life of plenty and a life of unlimited narcotics by the end of the week he ll settle for any life at all
