Married to Krampus 2011-06-20 my husband has horns hooves fur and a tail his krampus like appearance didn't scare me away from marrying him forever an optimist i eagerly agreed to be the first bride shipped under the new liaison program to voran a country on the newly discovered planet neron the colonel also has two little boys a huge plus for me since i adore children my down to earth sister says i live with my head in the clouds and maybe i naively hoped for an out of this world romance what i didn't expect was an out of this world brute the scowling growling rough around the edges colonel proves hard to live with and impossible to love he's also proud and possessive and is dead set on keeping me as his wife did i mention he has horns well he's also horny and our expectations of marriage don't exactly align there is something behind the

scowl of this infuriating man though that intrigues me catching glimpses of his strong fur covered body makes my stomach flutter with excitement i came to voran hoping to find my place in its culture and in the colonel s heart could there be a way to make this thing between us work all books in my holiday tails series stand alone loosely connected by the same world and the fact that all heroes have tails the books in this series can be read in any order contains graphic scenes of intimacy intended for mature readers
