## Fearless Femininity by Women in American Theatre, 1910s to 2010s 2015-08-06

in this unprecedented fascinating book which covers women in theatre from the 1910s to the 2010s author lynne greeley notes that for the purposes of this study feminism is defined as the political impulse toward economic and social empowerment for females or the female identified a position perceived by many feminists as oppositional to ideas of femininity that they see as personally and politically constraining and that femininity comprises social behaviors and practices that mean as many different things as there are women some of which are empowering and others of which are not this book illuminates how throughout the twentieth century and into the twenty first playwrights and artists in american theatre both embodied and disrupted the feminine of their times through approaches as wide ranging as performing their own recipes energizing silences raging against war and rape and inviting the public to inscribe their naked bodies theatre artists have used performance as a site to insert themselves between the physicality of their female presence and the liminality of their disrupting the role of the feminine capturing that place of liminality a neither here nor there place that is often unsafe where the established order is overturned by acts as banal as raising a plant women have written and performed and disrupted their way through one hundred years of theatre history even within the constraints of a variably rigid and usually unsympathetic social order creating a feminist femininity they have reinscribed their place in the culture and provided models for their audiences to do the same this comprehensive tome part of the cambria contemporary global performing arts headed by john clum duke university is an essential addition for theater studies and women s studies

#### Theatre Record 2000

for many years the development of theories about the way children learn to read and write was dominated by studies of english speaking populations as we have learned more about the way that children learn to read and write other scripts whether they have less regularity in their grapheme phoneme correspondences or do not make use of alphabetic symbols at all it has become clear that many of the difficulties that confront children learning to read and write english specifically are less evident or even non existent in other populations at the same time some aspects of learning to read and write are very similar across scripts the unique cross linguistic perspective offered in this book including chapters on japanese greek and the scandinavian languages as well as english shows how the processes of learning to read and spell are affected by the characteristics of the writing system that children are learning to master

#### Learning to Read and Write 1999-05-27

welcome to midvale a city of liberal minded but not too liberal minded folk in the heart of wisconsin midvale is home to oliver poole lanky and gray haired father of four sons husband of diana a prominent divorce lawyer left fielder for an over the hill softball team called the old hatters and sole proprietor of a typewriter repair shop a trade that one of his sons compares to singing folk music on the street and waiting for someone to drop a nickel in the hat midvale is home too to annelise scharfenberg a thirty something sugar craving aspiring buddhist who works as a late night music and gab show host at a fringe radio station when annelise a collector of old fashioned things walks into oliver s shop bearing a typewriter scavenged from an alley a romance ensues with consequences both comic and tragic set during the early years of the iraq war the typewriter satyr is flush with colorful characters including a syrian coffeehouse owner who believes the bush government is after him a buddhist monk who grew up in rural wisconsin a painter known as the rabbit master and a homeless writer who roams the streets of midvale in search of a missing shoe in the typewriter satyr dwight allen has created a world that as the novelist michelle huneven notes speaks to the powerful tides of longing and loneliness surging through all of us honorable mention anne powers book length fiction council for wisconsin writers finalist general fiction midwest book awards

the unforgettable novel of a woman who must return to her small hometown in the south only to discover that the years old secrets and scandals of her past are right where she left them from 1 new york times bestselling author sandra brown sunny chandler always said she d never return to latham green louisiana just three years ago she was at the center of the small town s juiciest scandal now she s been invited to her best friend s wedding and has no choice but to go home and with her return come the whispers the looks the rumors it doesn t take her long to see that latham green has nothing new to offer except maybe ty beaumont ty can see through the gossip to the real sunny yet despite his easy southern charm sunny doesn t seem interested even if she s seriously tempted for she s harboring the agonizing secret of why she really left what she needs is a man who s not just a lover and though there s clearly much more to the roguish ty beaumont than meets the eye sunny doesn t know if she can trust anyone with her secret heartbreak even the one man who may be able to heal it

## True Strength 2011-10-11

screening metoo offers an important and timely discussion of the pervasive nature of rape culture in hollywood essays in the collection examine films released from the 1960s onward a broad period that coincides with the end of the motion picture production code in hollywood which resulted in more frequent and increasingly graphic images of sex and violence being included in mainstream movies focusing on narratives in which surveillance and sexual violence feature prominently contributors from north america and europe examine a variety of film genres including spy films teen comedies kitchen sink dramas coming of age stories rape revenge films and horror films reflecting the increasing social and academic awareness of sexual violence in hollywood film and its transmission and cultivation of rape culture in the united states and abroad they are concerned not only with the content of the films under scrutiny but also with the clear relationship between the stories how they are being told and the culture that produced them screening metoo challenges readers to look at mainstream hollywood films differently in light of attitudes about art and power sexuality and consent and the pleasures and

frustrations of criticizing entertainment films from these perspectives

#### Star Power 2009-04-16

this book provides a pioneering and provocative exploration of the rich synergies between adaptation studies and translation studies and is the first genuine attempt to discuss the rather loose usage of the concepts of translation and adaptation in terms of theatre and film at the heart of this collection is the proposition that translation studies and adaptation studies have much to offer each other in practical and theoretical terms and can no longer exist independently from one another as a result it generates productive ideas within the contact zone between these two fields of study both through new theoretical paradigms and detailed case studies such closely intertwined areas as translation and adaptation need to encounter each other s methodologies and perspectives in order to develop ever more rigorous approaches to the study of adaptation and translation phenomena challenging current assumptions and prejudices in terms of both the book includes contributions as diverse yet interrelated as bakhtin s notion of translation and adaptation bollywood adaptations of shakespeare s othello and an analysis of performance practice itself arguably an adaptive practice which uses a variety of languages from english and greek to british and international sign language as translation and adaptation practices are an integral part of global cultural and political activities and agendas it is ever more important to study such occurrences of rewriting and reshaping by exploring and investigating interdisciplinary and cross cultural perspectives and approaches this volume investigates the impact such occurrences of rewriting have on the constructions and experiences of cultures while at the same time developing a rigorous methodological framework which will form the basis of future scholarship on performance and film translation and adaptation

#### Handicap 2018-02-06

success is a right sex is easy the world is there to inherit mark brock is a rich attractive californian with the world at his fingertips he is completing his master s at lockean university in southern england he is twenty two years old and will soon have a fast tracked career to complement the wealth he has inherited amongst his fellow students and coworkers in england he has the charm of a foreigner the easy appeal of one from a warmer land a modern day gatsby living with american bravado in the european culture and he is doing his best to throw it all away mark has learned to become an incredibly bitter detached individual his parent s are cold choosing to travel the world rather than see their own son graduate mark and his younger brother regard each other with equal levels of disgust even escaping that life in california mark can only find his new home mundane the morning after his birthday he wakes up in a strange room naked no memory of the night before as with everything else in life he accepts the situation he leaves without trying to find out who he slept with days blend into weeks weeks into months his final year of university in england is a cycle of self destruction a never ending night of parties wealth and casual sex he has everything anyone could ever want except one thing a sense of purpose of self worth an afternoon in the pub seems more productive going to class than finishing his dissertation life is stuck on fast forward most of his time is spent with a best friend who is a loathing addict or with a dangerous and aggressive drug dealer who mark finds simultaneously repulsive and fascinating the rest of his time is spent desperately searching for a new lover someone special someone that he could call the one mark is never hard pressed to find a new partner but while women are more than happy to sleep with the charming californian none of them will spend any intimate time with him women will have sex with him but won t have dinner with him he simultaneously wants to feel wounded and to feel that this is what he deserves that he is unlovable but ultimately there is no epiphany hiding in the beds of strangers is just another drug used to numb himself from the pain of emily the ghost of his past falling in love soon becomes another addiction more and more he just grows numb to the cycle despite his efforts at self destruction he still graduates with honors and quickly finds a faceless corporate job this is the cycle that mark traps himself in another business meeting harder and harder drugs another cocktail in another bar another bed with another stranger both love and heartbreak are found on facebook in the clubs at drunken office parties and even as he watches his own soul die an onlooker at a horrible accident he can t seem to bring himself to stop it mark s life becomes a dizzying spiral of desperation as he looks for answers in all

the wrong places the harder he searches for meaning the more horror he sees and commits things grow more dangerous and before long mark is not only harming himself but those around him as his numbness grows he tries to blame the drugs the alcohol the sex but deep down he knows he can t blame those things it is something that is innate in him something far worse but it s all he knows i start to wonder if i might not be the worst possible human imaginable but then i think that i m not any worse than anyone else living in this building this city this country this reality this realization does not soothe me it only makes me feel worse tired of sex com
