lisa is 4 years and 5 months old and giulia 3 years and 4 months one morning the girls father is taking them to nursery school l e bravissima ha riscaldato l auto e bravissima vera in praising the sun for having warmed up the car lisa has referred to it in the feminine gender as in the german die sonne her father corrects her by using the masculine gender f e bravissimo e if sale l e un maschietto if sale is the sun a little boy f e maschife it s masculine g determined e una femmina no it s a girl f forse in tedesco perhaps it is in german is left disoriented speechless giulia this book is devoted to language acquisition in children who have been exposed to two languages since birth it has often been said that the study of simultaneous bilingualism is the most fertile ground for the formulation of general theories on language acquisition processes and indeed most of the studies on early bilingualism aim in this direction but in a sense this book

serves the reverse purpose using the results of psycholinguistic research as a basis i have sought to understand the peculiarities of the process of language organization in the child who faces the problem of learning two languages when other children are learning only one thus the recurring theme of my study is the diversity of bilingual as opposed to monolingual acquisition
