Redefining Global Strategy, with a New Preface 2018-04-10

new tools for succeeding globally why do so many global strategies fail despite companies powerful brands and other border crossing advantages because a one size fits all strategy no longer stands a chance when firms believe in the illusions of a flat world and the death of distance they charge across borders as if the globe were one seamless marketplace but cross border differences are larger than we assume most economic activity including trade real and financial investment tourism and communication happens locally not internationally in this semiglobalized approach companies can cross borders more profitably by basing their strategies on the geopolitical differences that matter they must identify the barriers their strategies will have to overcome and they must build bridges to cross those barriers based on rigorous research pankaj ghemawat shows how to create successful strategies and provides practical management tools so you can assess the cultural administrative geographic and economic differences between regions at the industry level and decide which ones require attention track the implications of the specific border crossing actions that will impact your company s ability to create value the most generate superior performance through strategies that are optimized for the three a s adaptation adjusting to differences aggregation overcoming differences and arbitrage exploiting differences using in depth examples ghemawat reveals how companies such as cemex toyota procter gamble tata consultancy services ibm and ge healthcare are adroitly managing cross border differences he also shares examples of other well known companies that have failed at this challenge crucial for any business competing across borders redefining global strategy will help you make the most of our semiglobalized world

Our Separate Ways, With a New Preface and Epilogue 2021-08-10

named to the shortlist for the 2021 outstanding works of literature owl award in the women in business category addressing gender alone won t help women rise to the top although women come from widely diverse backgrounds they share a common assumption upon entering the workforce i have a chance along the way however they discover that people question their authority challenge their intelligence and discount their ideas and while gender is a common denominator among these women

race and class are often wedges between them in our separate ways ella bell smith and stella m nkomo take an unflinching look at the surprising differences between black and white women s trials and triumphs on their way to the top based on groundbreaking research the book compares and contrasts the experiences of 120 black and white female managers in america powerful stories bring to life the women s often difficult journeys from childhood to professional success highlighting the roles that gender race and class played in their development now with an updated preface and epilogue the book provides candid discussions of the continuing challenge of achieving race and gender equality in the midst of deep political and ideological divides you ll discover how white women have perhaps unwittingly aligned themselves more often with white men than with black women and how systemic racism and biases still exist in organizations but you ll also learn what to do to leverage the talents of all women and eliminate systemic racism for good whether you lead an organization or simply want to better understand the dynamics at play in business today you ll discover provocative ideas for creating a better workplace and encouraging equality for everyone

the twentieth anniversary release of a groundbreaking feminist text a powerful indictment of the current state of feminism and a passionate call to arms today people of all genders strive to uphold the goals of feminism and proudly embrace the term but the movement itself is often beset with confusion and questions does personal empowerment happen at the expense of politics is feminism for the few or does it speak to the many as they bump up against daily injustices what

does it mean to say the future is female in 2000 jennifer baumgardner and amy richards's *manifesta* set out to chronicle the feminism of their generation they brilliantly revealed the snags in various hubs of the movement from antipathy to the term itself to the hyped hatred of feminism's imperfect spokespeople and showed that these snags had not imperiled the feminist cause the book went on to inspire a new generation of readers and has become a classic of contemporary feminist literature in the decades since *manifesta* was published the world has changed in ways both promising and terrifying this twentieth anniversary edition of *manifesta* features an updated bibliography timeline and resources as well as a new introduction by the authors expertly unpacking both early women's history and the third wave feminism that seeded the active righteous intersectionality we see today *manifesta* remains an urgent and necessary tool to make sense of our past present and future

Manifesta (20th Anniversary Edition, Revised and Updated with a New Preface) 2010-03-02

how the future of post legalization marijuana farming can be sustainable local and artisanal what will the marijuana industry look like as legalization spreads will corporations sweep in and create big marijuana flooding the market with mass produced weed or will marijuana agriculture stay true to its roots in family farming and reflect a sustainable local and artisanal ethic in craft weed ryan stoa argues that the future of the marijuana industry should be powered by small farms that its model should be more craft beer than anheuser busch to make his case for craft weed stoa interviews veteran and novice marijuana growers politicians activists and investors he provides a history of marijuana farming and its post hippie resurgence in the united states he reports on the amazing adaptability of the cannabis plant and its genetic gifts the legalization movement regulatory efforts the tradeoffs of indoor versus outdoor farms and the environmental impacts of marijuana agriculture to protect and promote small farmers and their communities stoa proposes a marijuana appellation system modeled after the wine industry which would provide a certified designation of origin to local crops a sustainable local and artisanal farming model is not an inevitable future for the marijuana industry but craft weed makes clear that marijuana legalization has the potential to revitalize rural communities and the american family farm as the era of marijuana prohibition comes to an end now is the time to think about what kind of marijuana industry and marijuana agriculture we want craft weed will help us plan for a future that is almost here
