for a thousand years across the length and breadth of china and beyond people have burned paper replicas of valuable things most often money for the spirits of deceased family members ancestors and myriads of demons and divinities although frequently denigrated as wasteful and vulgar and at times prohibited by governing elites today this venerable custom is as popular as ever burning money explores the cultural logic of this common practice while addressing larger anthropological questions concerning the nature of value the heart of the work integrates chinese and western thought and analytics to develop a theoretical framework that the author calls a materialist aesthetics this includes consideration of how the burning of paper money meshes with other customs in china and around the world the work examines the custom in contemporary everyday life its origins in folklore and history as well as its role in common rituals in the social formations of dynastic and modern times and as a sacrifice in the act of consecrating the paper money before burning it here the author suggests a great divide between the modern means of cultural reproduction through ideology and reification with its emphasis on nature and realism and previous pre capitalist means through ritual and mystification with its emphasis on authenticity the final chapters consider how the burning money custom has survived its encounter with the modern global system and internet technology innovative and original in its interpretation of a common ritual in chinese popular religion burning money will be welcomed by scholars and students of chinese religion as well as comparative religion specialists and anthropologists interested in contemporary social theory

M-Libraries 3 1889

in a timely contribution to current debates over the psychology of boys and the construction of their social lives on my honor explores the folk customs of adolescent males in the boy scouts of america during a summer encampment in california s sierra nevada drawing on more than twenty years of research and extensive visits and interviews with members of the troop mechling uncovers the key rituals and play events through which the boy scouts shapes boys into men he describes the campfire

songs initiation rites games and activities that are used to mold the scouts into responsible adults the themes of honor and character alternate in this new study as we witness troop leaders offering examples in structure discipline and guidance and teaching scouts the difficult balance between freedom and self control what results is a probing look into the inner lives of boys in our culture and their rocky transition into manhood on my honor provides a provocative sometimes shocking glimpse into the sexual awakening and moral development of young men coming to grips with their nascent desires their innate aggressions their inclination toward peer pressure and violence and their social acculturation on my honor ultimately shows how the boy scouts of america continues to edify and mentor young men against the backdrop of controversies over freedom of religious expression homosexuality and the proposed inclusion of female members while the organization s bureaucracy has taken an unyielding stance against gay men and atheists real live scouts are often more open to plurality than we might assume in their embrace of tolerance acceptance and understanding troop leaders at the local level have the power to shape boys into emotionally mature men

Lawyers' Reports Annotated 1885

this book provides school administrators with practical easy to use and inexpensive ways to reward and recognize the efforts of their staff more than 100 ideas are divided into three categories based on the amount of effort they require recognizing and rewarding your staff can be as simple as writing a heartfelt thank you note to a bus driver or as unexpected as taking a teacher s grading duty for a night this invaluable guide will help principals and superintendents everywhere bring out the best in their teachers and staff members the best part is that rewarding and inspiring your staff will be

Burning Money 1887

she is but a woman the first in depth study of medieval scottish queens investigates the relationship between gender and power in the medieval scottish court by exploring the art of queenship as practised by joan beaufort and mary of guelders queens of james i and james ii these women were excluded from authority but clearly possessed power as wives and mothers of kings they established and cultivated relationships with members of the court learned about scottish political life and supported their husbands in the business of government the book examines for the first time the arrivals of joan and mary in scotland their social and political status their relationships with their husbands and families and their roles in international diplomacy this modern re evaluation of the role and power of the medieval queen is a thematic exploration rather than a biographical study it situates the experiences of joan and mary within a broader european context and provides a new perspective on scotland s political social and cultural links with europe in the fifteenth century

Central Reporter... 2016-05-02

the ultimate book for teaching primary pe with 110 inclusive and engaging games for all abilities including a wealth of age appropriate easy to follow activities for teaching physical education at key stages 1 and 2 this book is perfect for teachers looking for inspiration and advice on delivering the very best pe lessons structured around a full school year there is a mixture of indoor and outdoor ideas to suit a range of spaces and equipment all tried and tested by teachers with mixed ability classes from working together in september to competing as an individual in july each chapter addresses a different month and theme to structure your practice and make each lesson meaningful a year of primary pe features 110 lesson plans with clear instructions for setting up and carrying out the activities full colour photographs of the games in action and advice to develop teachers skills and pedagogy fully aligned to the national curriculum this is the ideal resource to deliver outstanding sports lessons centred around inclusivity engagement and holistic learning
