~~softail wikipedia Dec 24 2023~~

the softail is the most popular harley davidson model family for heavy customizing and is often used for show bikes many aftermarket manufacturers around the globe have specialized in softail parts accessories like wheels fenders or tanks to change the look of the custom motorcycle

what is a softail motorcycle softail vs hardtail bikes Nov 23 2023

the term softail which harley davidson first used in the middle of the 1980s describes motorcycles with a cleverly concealed rear suspension system that gives the appearance of a hardtail vintage bike without the typical springs and shock absorbers in view
