Growing A Healthy Church

1993-10-09

sheep swapping shuffling of the saints whatever you call it many churches are growing only because christians transfer from one church to another what's more many churches aren't growing at all the problem according to authors dann spader and gary mayes is that too many church calendars are filled with outdated mediocre programs that have become more of a burden than a blessing that coupled with the fact that these programs minister almost exclusively to christians leaves little for the non-christian seeker to get excited about growing a healthy church is not a list of trendy new programs for your church agenda it is a journey of rediscovery spader and

mayes look closely at the four stages of spiritual growth in relation to outreach using the innovative m level system these gifted men show how a church can minister to all individuals regardless of their levels of maturity in potential service this helps eliminate the mistakes of forcing new christians into service that may overwhelm them or may leave the mature christian unchallenged proven successful through sonlife and churches who have used this system this resource will help you focus on the simplicity of christ s ministry enabling you to build an effective discipling strategy for your church

this book is written to help believers know they can be spiritually healthy and bring spiritual health to their local church bodies it s not an attempt to present anything new or to discredit any spiritual thoughts or views it will help christians better manage what jesus has already established his church jesus says upon this rock i will build my church and the gates of hell shall not prevail against it matthew 16 18 this is the assurance that the founder foundation formation fellowship future and function of the church are right however members the body of christ must have spiritual checkups by the power of the holy spirit in order to keep themselves healthy for christ its design is to assure christians that they are following the divine mandates set by jesus by bringing them into view of the spiritual and physical works of the church it will resurrect gospel communication and love which many believers have allowed to remain dormant it challenges people to open their hearts and mind to the holy spirit as he attempts to guide them into all truths through transformation unity and true spirituality it will help women in the church discover their identities rather than search for their roles as they follow god s word more closely it also helps believers depend on the resurrected christ for their assurance this book enhances jesus but it helps us see

the whole picture of the church and not just a few personal isolated individual views trying to make sense it will help settle doctrinal disputes and assist in church discipline there are many ways spiritual health can be maintained in the church i have pinpointed only a few to inspire believers to bring spiritual health to your life the church and the lives of people everywhere
