the evolution of the idea of god is a study of humans belief in god from primitive tribal religions to what allen considered the more advanced christian view it was first published in 1897 the main question of this book is how did we arrive at our knowledge of god rather than trying to prove or disprove any claims about the divine allen s method simply follows the psychological processes that led humans to religious belief and further from a belief in polytheism to monotheism in this fascinating and erudite work george stocking america s most renowned historian of anthropology probes the victorian origins of contemporary thought on human social and cultural evolution george stocking examines the portrayal of primitive peoples by victorian travellers and missionaries he shows how their attitudes towards the dark skinned savages corresponded to their view of the proletarian masses produced by the industrial revolution philip schaff s classic work colloquially known as the early church fathers is an invaluable resource filled with the primary documents and early theological building blocks for the christian church comprised of thirty eight volumes it is broken into three parts the ante nicene fathers and nicene and post nicene fathers first and second series 21 the most ambitious book yet by america s bestselling award winning grill expert whose barbecue bible books have over 4 million copies in print setting out again on the barbecue trail four years ago steven raichlen visited 60 countries yes 60 countries and collected 309 of the tastiest most tantalizing easy showcases inventive ways to use the grill australia s lamb on a shovel bogota s lomo al trapo salt crusted beef tenderloin grilled in cloth and from the charantes region of france eclade de moules mussels grilled on pine needles do try this at home what a planet what a book comprehensive and authoritative description of the theory creation and use of mechanical trading systems presents historical tests of various trading systems approaches in 10 markets over a 5 year period john calvin allen professionally known as j c worked as a photographer for purdue university from 1909 1952 and operated his own photography business until his death in 1976 the j c allen photographs represent a historical account of the transition from pioneer practices to scientific methodologies in agriculture and rural communities during this major transitional period for agriculture tractors replaced horses hybrid corn supplanted open pollinated corn and soybeans changed from a novelty crop to regular rotation on most farms during this time purebred animals with better genetic pedigrees replaced run of the mill livestock and systematic disease prevention in cattle swine and poultry took place allen s photographs also document clothing styles home furnishings and the items people thought important as they went about their daily lives looking closely at tractors livestock wagons planters sprayers harvesting equipment and crops gives one a sense of the changing and fast paced world of agriculture at that time this volume contains over 900 picturesque images most never before seen of men women and children working on the farm which remain powerful reminders of life in rural america at the turn of the twentieth century as old farmhouses and barns fall victim to age allen photographs are all that remain while those people and times no longer exist today they do remain alive because of the preservation of that history on film a camera in his hands and an eye for photography allowed allen to create indelible visual histories that continue to tell the story of agriculture and rural life from long ago at age seventeen fred deluca borrowed 1 000 from a friend and started subway r today with more than 38 000 stores in one hundred countries and annual sales exceeding 16 6 billion fred deluca s subway is a success story with a message start small finish big publishers weekly review deluca was only 17 when he started what is now the subway restaurant chain in 1965 he needed money to attend college and a friend offered to back him with 1 000 to start a sandwich shop in bridgeport conn that beginning led deluca to an enormously successful career in addition to being president of the chain he runs mile a nonprofit organization that offers loans to entrepreneurs according to deluca there are 15 essential principles for anyone starting a small business some of which deluca confesses he learned the hard way he had never made a submarine sandwich before opening day of his first shop among these pillars believe in your people never run out of money keep the faith and profit or perish deluca uses his own business experience as well as that of other successful entrepreneursae g the founders of kinko s and little caesar sain addition to those of less well known business people written in a conversational style the advice isn t especially original or creative however would be millionaires who are sitting at their kitchen table wondering if they should take that big step and start a business will find the book both instructive and inspirational agent bob diforio library journal deluca co founder in 1965 of subway restaurants and founder in 1996 of the micro investment lending enterprise mile a nonprofit organization making microloans to entrepreneurs microentrepreneurs has written this humorous down to earth guide to success as a small business owner coauthor hayes is a writer computer architecture and organization 1998 public speaker and business trainer each chapter describes one of deluca s 15 key lessons and is illustrated with a real life case study none of the people in these cases is a household name but businesses such as kinkos little caesars and subway are deluca doesn t claim that his guides form a master plan for success but he optimistically believes that anyone can become bill gates lillian vernon or henry lay and that his lessons will increase the chances his book also promotes and supports mile and the last chapter and appendix are devoted to information about it and its programs
